Question 1

Could you please confirm which unit is to be removed at Dale Acre.

I feel it is the long recently repainted trail / frame and assume that the area available is to extend beyond the existing footprint if needed or is it the area of the Toddler Multi Play?

Also what is your preferred safer surface on this location

Answer 1

I confirm that it is the long piece of equipment and this can be extended beyond the existing footprint if required.

With regard to the surfacing please quote to replace/repair the wet pour and for its removal and replacement with grass safety matting.
