The awarding of a place on the Dynamic Purchasing System does not mean that there is any guarantee of subsequent contracts being awarded. Any values that have been provided are only an estimate. We cannot guarantee to suppliers any business through this framework agreement.

This DPS is valid for four years, ending 12:00 on 01 March 2021. Employers may enter into contracts which extend beyond the lifetime of the DPS.

Access Charges

Commercial & Managed Procurement Services

There is no charge for Providers to register for inclusion on the DPS, to access information, or to bid for business via the DPS.

Each Provider, on a successful award of a contract, will be invoiced a DPS delivery charge by Salisbury Commercial Services. This will be based on a percentage of contract value, and will be clearly advertised with each opportunity.

In the event that an Employer carries out a mini competition but does not proceed with an award of business, that Employer shall pay an activity charge to Salisbury NHSFT based on a percentage value of the lowest compliant bid received.

For Suppliers – How to Participate

Suppliers can request to join (or withdraw from) a DPS at any time during the advertised lifetime of the DPS.

All DPS activity is carried out electronically, including further competition and messaging.

Salisbury NHSFT uses the Bravo NHS Portal for all procurement requirements, including DPS.

Suppliers wishing to join this DPS should register on the Portal https://nhs.bravosolution.co.uk/nhs_collaborative/web/login.html and locate relevant project reference. Suppliers will then be asked to complete the online PQQ and submit. Salisbury NHSFT will then evaluate the PQQ and advise within 10 working days after an initial period of 30 days (or advise the supplier where this will be extended).

Suppliers may access and respond to individual open ITT's prior to submitting the DPS PQQ, but the DPS submission must be made by the close date of the ITT.

Suppliers successfully placed on the DPS will then be advised of further competitions via the Bravo portal.

It is therefore **essential** that suppliers maintain their contact details within their Bravo profile at all times, as Salisbury Commercial Services will not be responsible for suppliers not receiving competition calls due to incorrect or outdated profile information.
