8.5.1 the Authority will issue an execution form of the final Order Form for the Services to the Consultant as soon as reasonably practicable following its receipt of the Consultant's notification, particularised, populated and finalised to reflect all relevant details and supporting documentation in respect of the relevant Services as agreed with the Consultant pursuant to clause 8.1 to clause 8.4 (inclusive), and any other information relevant to the Services;

8.5.2 the Consultant shall:

- (a) sign and return the Order Form to the Authority within two (2) Business Days of receiving the execution form of such Order Form from the Authority (provided always that if the Consultant fails to sign and return the Order Form to the Authority within this period and has not advised the Authority in writing that it no longer wishes to undertake the Services in accordance with the issued Order Form, the Consultant shall be deemed to have accepted the content of the Order Form in full and be bound by the same as if the Consultant had so signed and returned the Order Form to the Authority); and
- (b) thereafter undertake the relevant Services as instructed by the Authority pursuant to clause 8.5.1 from time to time,

provided always that the Authority may at its sole discretion from time to time elect to effect the execution of an Order Form electronically on prior written notice to the Consultant of its requirements and procedures to effect execution in such a manner.

8.6 Without prejudice to the generality of clause 8.5.2(b), the Consultant acknowledges and agrees that it shall:

- 8.6.1 not be authorised by the Authority to commence or otherwise undertake any part of the Services as specified in an Order Form without first receiving a written instruction from the Authority to commence the same; and
- 8.6.2 have no entitlement to any payment that relates to any such part of the relevant Services that are the subject of an Order Form (or Draft Order Form) or otherwise where the Consultant commences and/or otherwise undertakes any Services prior to the date of receiving a written instruction to do so from the Authority (and if it does so, it will be at the Consultant's own cost and risk).

8.7 The Consultant acknowledges and agrees that:

- 8.7.1 at any time during the period referred to in clause 8.5.2:
 - (a) the Authority shall, at its sole discretion, have the right to notify the Consultant in writing that it no longer intends to enter into contract with the Consultant in respect of the Services that are the subject of the relevant Order Form; and
 - (b) in such a circumstance:
 - (i) the deemed acceptance provisions of clause 8.5.2 shall not apply to that Order Form;
 - (ii) the Consultant shall not be authorised to execute and/or date; and
 - (iii) the Consultant shall be required to return the Order Form to the Authority within two (2) Business Days of the date of such notice; or
- 8.7.2 the Consultant otherwise seeks to incorporate into the Order Form any amendments to its content when returning the executed Order Form to the Authority following the completion of the process(es) set out at clause 8.1 to clause 8.4 (as appropriate), the Authority shall, at its sole discretion, have the ability to withdraw the Order Form immediately on written notice to the Consultant,

and, in either case (and without prejudice to any other provision of this Agreement), the Authority may seek to engage another third party (including any other Relevant Consultant pursuant to and in accordance with a Relevant Agreement) to undertake such Services at no liability to the Consultant whatsoever arising out of or in connection with any failure by the Authority to enter into that Order Form with the Consultant (whether in contract, tort or any other basis of law).

8.8 Notwithstanding any other provision of this Agreement, the Authority may (at its sole discretion) decline to enter into a draft or agreed form of Order Form with the Consultant at any time and in such a circumstance, the Authority shall have no liability to the Consultant whatsoever arising out of or in connection with any failure by the Authority to enter into that Order Form with the Consultant (whether in contract, tort or any other basis of law).

8.9 The Consultant acknowledges and agrees that:

- 8.9.1 once an Order Form is executed by the Parties or treated as having been accepted by the Parties pursuant to and in accordance with clause 8.5, that Order Form shall be treated as an "**Order**" for the purposes of this Agreement;
- 8.9.2 this Agreement and each Order shall be treated as complementary of one another and it shall be the duty of the Consultant to notify the Authority of any error, omission or discrepancy of which it becomes aware as between this Agreement and any Order and to put forward proposals to resolve such error, omission or discrepancy fairly and constructively, whilst minimising any adverse effect on any Order and this Agreement,

provided always that any such proposal shall be subject to prior approval by the Authority at its sole discretion; and

- 8.9.3 it shall be responsible for and bear the costs of the consequences of any error or omission in, or any discrepancy between, this Agreement and any Order.

9. ORDERS: PARTNERING CONTRACT

9.1 The Consultant acknowledges and agrees that:

- 9.1.1 where the Consultant is appointed to provide Services under an Order in connection with a Works Package:

- (a) the Authority reserves the right to require the Consultant to, at a later date, transition the provision of its Services into a Partnering Contract by entering into a Partnering Contract with the Authority (and other parties, including a Constructor) to provide Services under the Partnering Contract in connection with the Works Package that is the subject of such Order; and
- (b) where the Authority has already entered into a CSF Call-Off Contract with a Constructor in substantially the same form as the Partnering Contract in connection with that Works Package as at the date that the Authority wishes to engage the Consultant in connection with the Works Package, the term "**Partnering Contract**" in this clause 9 shall be construed as being a written agreement by which the Consultant shall agree to become a party to such existing agreement as an additional consultant (and not contractor) party on the terms and conditions set out therein; and

- 9.1.2 in lieu of requiring the Consultant to provide Services under the relevant Order in connection with a Works Package, the Authority may require the Consultant to enter into a Partnering Contract with the Authority (and other parties, including a Constructor) to provide Services under the Partnering Contract in connection with that Works Package; and

- 9.1.3 the Authority intends that, in both of the circumstances specified at clause 9.1.1(a) and clause 9.1.1(b), the duties, obligations and liabilities of the Consultant under the form of Partnering Contract shall be substantially in the form set out in the Model Partnering Contract, however the actual form of Partnering Contract that the Consultant may be required to enter into may differ from the Model Partnering Contract to reflect requirements that are specific to the Works Package that is (or will be) the subject of the Works Package,

with any such request being subject to and governed by the provisions of clause 9.2 to clause 9.8 (inclusive).

9.2 Where the Authority wishes to instruct the Consultant to provide Services under a Partnering Contract in connection with a Works Package on the basis referred to at clause 9.1:

- 9.2.1 the Authority will issue the proposed form of Partnering Contract to the Consultant (as the "**Draft Partnering Contract**") that sets out (amongst other things):
- (a) (by reference to the relevant sections of the Services Schedule) the proposed scope of the professional services to be provided by the Consultant as part of the Services (and referred to in such Partnering Contract as "Partnering Services" and to be set out in the "Consultant Services Schedule" thereunder);

- (b) what (if any) professional services in addition to those set out in the Services Schedule (but which are reasonably ancillary to the same) the Authority requires the Consultant to provide as part of the Services (on the same basis as above);
- (c) the identities of the other known (and potential) parties to the Partnering Contract and their roles under the Partnering Contract;
- (d) what parts of the Partnering Contract (if any) the Authority requires the Consultant to complete and return for the Authority's consideration;
- (e) the Works Package to which the Services relate;
- (f) the Works Package Site to which the Services relate;
- (g) the timeframe(s) within which the relevant Services are to be completed by the Consultant (including any specific milestone date(s) that apply to the Services);
- (h) what (if any) modifications to the Model Partnering Contract have been made by the Authority to reflect the type and nature of the Services required;
- (i) (at the Authority's sole discretion) any performance-based incentivisation measures that will apply to the provision of the Services to be provided by the Consultant under the Partnering Contract; and
- (j) by reference to the Pricing Schedule, the basis upon which the Consultant will be remunerated for providing the Services under the Partnering Contract (and to be set out in the "Consultant Payment Terms" section of the Partnering Contract);

9.2.2 following its receipt of the Draft Partnering Contract, the Consultant shall, within five (5) Business Days (or such longer period as the Authority may agree, acting reasonably), issue a written notification to the Authority (a "**Draft PC Response**"):

- (a) confirming:
 - (i) that the Consultant accepts the content of the Draft Partnering Contract as drafted;
 - (ii) that the Consultant agrees to undertake the scope of the Services identified in the Draft Partnering Contract and can do so within the timeframes specified therein;
 - (iii) the identity of the key personnel at the Consultant that will undertake the Services; and
 - (iv) that the basis of remuneration set out in the Draft Partnering Contract is correct (provided always that nothing shall preclude the Consultant from proposing a discount to one (1) or more of its rates as set out in the Pricing Schedule in connection with any element(s) of the Services); or
- (b) advising that the Consultant does not agree with the content of the Draft Partnering Contract or is unable to provide its confirmation pursuant to clause 9.2.2(a) without further clarification from the Authority on one (1) or more points in relation to the draft Partnering Contract, providing sufficient detail so as to enable the Authority to properly evaluate the Consultant's notification.

- 9.3 Following the Authority's receipt of a Draft PC Response from the Consultant pursuant to clause 9.2 or any response issued by the Consultant pursuant to clause 9.3.2 below:
- 9.3.1 the Authority may (as the context requires):
- (a) request further written clarification from the Consultant on one (1) or more elements of the Draft PC Response; or
 - (b) respond to a notification submitted by the Consultant pursuant to clause 9.3.2 by clarifying and/or revising and reissuing or withdrawing the Draft Partnering Contract as it considers appropriate,
- as soon as reasonably practicable upon receiving the Consultant's notification;
- 9.3.2 the Consultant shall:
- (a) respond to any request for further clarification issued by the Authority pursuant to clause 9.3.1(a); or
 - (b) confirm its acceptance or otherwise to any point of clarification issued by the Authority pursuant to clause 9.3.1(b),
- within three (3) Business Days of receiving such request or clarification; and
- 9.3.3 the Authority may, following the resolution of any points of clarification or otherwise in accordance with clause 9.3.1 and/or clause 9.3.2, reissue the Draft Partnering Contract to the Consultant in accordance with clause 9.3.1(b) in its proposed final form and the provisions of clause 9.2 shall apply to such reissued Draft Partnering Contract mutatis mutandis.
- 9.4 If, in response to a Draft Partnering Contract, the Consultant confirms its acceptance of the content of the Draft Partnering Contract and the Authority approves the submissions of the Consultant submitted pursuant to and in accordance with clause 9.2 to clause 9.3 (inclusive) in respect of the same:
- 9.4.1 the Authority will issue an execution form of the final Partnering Contract to which the Services will relate to the Consultant as soon as reasonably practicable following its receipt of the Consultant's notification, particularised, populated and finalised to reflect all relevant details and supporting documentation in respect of the relevant Services as agreed with the Consultant pursuant to clause 9.2 and clause 9.3 (inclusive), and any other information relevant to the Services;
- 9.4.2 the Consultant shall sign and return (but not date) the Partnering Contract to the Authority within ten (10) Business Days of receiving the execution form of such Partnering Contract from the Authority and in any event prior to commencing the Partnering Services in respect of the same (and the Consultant shall not have any authority to date the Partnering Contract unless expressly authorised in writing in advance by the Authority); and
- 9.4.3 the Authority, following its receipt of the Consultant's duly executed Partnering Contract, shall date the same and confirm to the Consultant in writing that the Partnering Contract is effective and binding as between the parties to the Partnering Contract,
- provided always that the Authority may at its sole discretion from time to time elect to effect the execution of a Partnering Contract electronically on prior written notice to the Consultant of its requirements and procedures to effect execution in such a manner.

-
- 9.5 Where the Consultant fails to sign and return the Partnering Contract within the period specified in clause 9.4 and/or otherwise requests and/or seeks to incorporate into the Partnering Contract any amendments to its content following the completion of process referred to in clause 9.2 and clause 9.3 (as appropriate):
- 9.5.1 the Authority shall, at its sole discretion, have the right to notify the Consultant in writing that it no longer intends to enter into contract with the Consultant in respect of the Services that are the subject of the Partnering Contract;
 - 9.5.2 in such a circumstance, the Consultant shall not be authorised to execute and/or date and shall be required to return the Partnering Contract to the Authority within two (2) Business Days of the date of such notice; and
 - 9.5.3 the Authority may seek to engage another third party (including any other Relevant Consultant pursuant to and in accordance with a Relevant Agreement) to undertake such Services at no liability to the Consultant whatsoever arising out of or in connection with any failure by the Authority to enter into the Partnering Contract with the Consultant (whether in contract, tort or any other basis of law).
- 9.6 Notwithstanding any other provision of this Agreement, the Authority may (at its sole discretion) decline to enter into a draft or agreed form of Partnering Contract with the Consultant at any time and in such a circumstance it shall have no liability to the Consultant whatsoever arising out of or in connection with any failure by it to enter into that Partnering Contract with the Consultant (whether in contract, tort or any other basis of law).
- 9.7 The Consultant acknowledges and agrees that:
- 9.7.1 once a Partnering Contract is executed by the Parties pursuant to and in accordance with clause 9.4, that Partnering Contract shall be treated as an "**Order**" for the purposes of this Agreement;
 - 9.7.2 it shall be the duty of the Consultant to, if awarded a Partnering Contract pursuant to the provisions of this clause 9, notify the Authority (as appropriate) of any error, omission or discrepancy of which it becomes aware as between the terms of this Agreement and any Services provided in respect of the relevant Works Package and the Partnering Contract prior to executing the Partnering Contract and to put forward proposals to resolve such error, omission or discrepancy fairly and constructively, whilst minimising any adverse effect on this Agreement, the Partnering Contract and/or the Works Package, provided always that any such proposal shall be subject to prior approval by the Authority at its absolute discretion; and
 - 9.7.3 it shall be responsible for and bear the costs of the consequences of any error or omission in, or any discrepancy between, this Agreement and the Partnering Contract.

- 9.8.1 the respective rights and liabilities of the Authority and the Consultant in respect of all matters with which this Agreement is concerned in relation to any Services provided by the Consultant in relation to the Project that are the subject of the Partnering Contract prior to the date of the Partnering Contract shall become subject solely to the terms and conditions of the Partnering Contract; and
 - 9.8.2 the Consultant acknowledges and agrees that the terms of the Partnering Contract shall be expressed as retrospectively governing such Services and other activities of the

Consultant performed (or as required to be performed) by the Consultant or on the Consultant's behalf under this Agreement in connection with that Works Package,

provided always that the Authority shall not be relieved of its obligations under this Agreement to pay to the Consultant any undisputed sums that are the subject of an invoice submitted by the Consultant and assessed by the Authority pursuant to and in accordance with an existing Order as at the date that the Partnering Contract is entered into in accordance with this clause 9, with the Consultant having no entitlement to receive and/or the ability to claim from the Authority any:

36. **NO WAIVER**

36.1 Failure or any relaxation, forbearance, indulgence or delay by a Party at any time to enforce any provision of this Agreement against the other shall not be construed as a waiver of such entitlement and shall not affect the validity of this Agreement or any part or parts hereof or the right of the relevant Party to enforce any provision in accordance with its terms.

36.2 The rights and/or remedies of a Party may only be waived by formal written waiver which is signed by a duly authorised representative of the Party waiving its rights and which makes express and unequivocal reference to the waiver being made pursuant to this clause 36.

37. **CUMULATIVE RIGHTS**

The rights and remedies provided by this Agreement are cumulative and (except as otherwise provided in this Agreement) are not exclusive of any rights or remedies provided by Applicable Law or in equity and to the extent that any right or remedy provided by this Agreement or by Applicable Law or in equity can be exercised more than once and/or in combination with other rights and/or remedies provided by this Agreement or by Applicable Law or in equity, no single or partial exercise of such right or remedy by a Party shall prevent the further exercise by that Party of that right or remedy or the exercise of any other right or remedy.

This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which when executed and delivered will be an original and all of which together will constitute a single agreement.

39. **SEVERANCE**

39.1 If any provision of this Agreement is found:

39.1.1 by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this Agreement which will remain in full force and effect; and

39.1.2 to be invalid or unenforceable but would be valid or enforceable if some part of the provision were deleted, the provision in question will apply with such modification(s) as may be necessary to make it valid.

39.2 The Parties agree, if either of the circumstances described in clause 39.1.1 occur and it is not possible to amend the provision in question in accordance with clause 39.1.2 without materially amending the original intention of the clause, that:

39.2.1 they will use all reasonable endeavours to attempt to substitute for any invalid or unenforceable provision a valid or enforceable provision which achieves to the greatest extent possible the same effect as would have been achieved by the invalid or unenforceable provision; and

39.2.2 the obligations of the Parties under any invalid or unenforceable provision of this Agreement will be suspended while an attempt at such substitution is made.
