CONTENTS

1. CONTEXT 3

2. THE REQUIREMENT 3

1. CONTEXT

- 1.1 Due to the nature of activity on REDACTED TEXT for Military Sensitive Technical Information, linguists accompany REDACTED TEXT for Military Sensitive Technical Information. There is a requirement for linguists to be provided with clothing and equipment that will allow them to be dressed and equipped in line with the supported force.
- 1.2 This Appendix lists the clothing and equipment that the Contractor is required to provide for each REDACTED TEXT for Military Sensitive Technical Information linguist. The Contractor will purchase the equipment for each new or replacement linguist and is required to provide a firm price for each clothing and equipment pack as list in this Appendix in Appendix 4 - Pricing Schedule. The clothing and equipment listed here will be supplemented by Authority provided GFA, which is listed separately in Appendix 7 – Government Furnished Assets.

2. THE REQUIREMENT

- 2.1 REDACTED TEXT for Military Sensitive Technical Information clothing and equipment is split into 2 groups. Contractor purchased equipment, paid for by the Authority, is listed in Table 1 below. Contractor purchased clothing, paid for by the Authority, is listed in Table 1 below. All clothing and equipment will become the property of the Authority once purchased and shall be recorded on the GFA register by the Contractor. Any linguist who leaves the contract will be completely de-kitted of all Authority funded items. Any linguist that transfers to a new supplier at the start of contract will retain their existing clothing and equipment.
- 2.2 All clothing and visible equipment items shall be military green coloured.
