- 22.1.1 Subject to the provisions of this Clause 22 and Call Off Schedule 3 (Call Off Contract Charges, Payment and Invoicing), either Party may request a variation to this Call Off Contract provided that such variation does not amount to a material change of this Call Off Contract within the meaning of the Regulations and the Law. Such a change once implemented is hereinafter called a "**Variation**".
- 22.1.2 A Party may request a Variation by completing, signing and sending the Variation Form to the other Party giving sufficient information for the receiving Party to assess the extent of the proposed Variation and any additional cost that may be incurred.

Where a resolution cannot be reached, the matter shall be dealt with under the Dispute Resolution Procedure.

 - (ii) as to how the Specific Change in Law has affected the cost of providing the Goods and/or Services; and
 - (iii) demonstrating that any expenditure that has been avoided, for example which would have been required under the provisions of Clause 18 (Continuous Improvement), has been taken into account in amending the Call Off Contract Charges.

22.2.3 Any change in the Call Off Contract Charges or relief from the Supplier's obligations resulting from a Specific Change in Law (other than as referred to in Clause 22.2.1(b)) shall be implemented in accordance with the Variation Procedure.

 - (b) the Customer Cause and its effect on the Supplier’s ability to meet its obligations under this Call Off Contract; and
 - (c) the relief claimed by the Supplier.

39.3 Following the receipt of a Relief Notice, the Customer shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Customer Cause and whether it agrees with the Supplier’s assessment set out in the Relief Notice as to the effect of the relevant Customer Cause and its entitlement to relief, consulting with the Supplier where necessary.

39.4 Without prejudice to Clauses 8.6 (Continuing obligation to provide the Services) and 9.11 (Continuing obligation to provide the Goods), if a Dispute arises as to:

- 39.4.1 whether a Supplier Non-Performance would not have occurred but for a Customer Cause; and/or
- 39.4.2 the nature and/or extent of the relief claimed by the Supplier,

either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.

Any failure or delay by the Supplier in performing its obligations under this Call Off Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if

that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.

40.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.

40.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under Clause 40 to the extent that consequences of the relevant Force Majeure Event:

40.3.1 are capable of being mitigated by any of the provision of any Goods and/or Services, including any BCDR Goods and/or Services, but the Supplier has failed to do so; and/or

40.3.2 should have been foreseen and prevented or avoided by a prudent provider of goods and/or services similar to the Goods and/or Services, operating to the standards required by this Call Off Contract.

40.4 Subject to Clause 40.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Goods and/or Services affected by the Force Majeure Event.

40.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

40.6 Where, as a result of a Force Majeure Event:

40.6.1 an Affected Party fails to perform its obligations in accordance with this Call Off Contract, then during the continuance of the Force Majeure Event:

(b) the Supplier shall not be liable for any Default and the Customer shall not be liable for any Customer Cause arising as a result of such failure;

40.6.2 the Supplier fails to perform its obligations in accordance with this Call Off Contract:

(ii) to receive Delay Payments pursuant to Clause 6.4 (Delay Payments) to the extent that the Achievement of any Milestone is affected by the Force Majeure Event; and

- (iii) to receive Service Credits or withhold and retain any of the Call Off Contract Charges as Compensation for Critical Service Level Failure pursuant to Clause 14 (Critical Service Level Failure) to the extent that a Service Level Failure or Critical Service Level Failure has been caused by the Force Majeure Event; and
- (b) the Supplier shall be entitled to receive payment of the Call Off Contract Charges (or a proportional payment of them) only to the extent that the Goods and/or Services (or part of the Goods and/or Services) continue to be provided in accordance with the terms of this Call Off Contract during the occurrence of the Force Majeure Event.

40.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract.

40.8 Relief from liability for the Affected Party under Clause 40 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract and shall not be dependent on the serving of notice under Clause 40.7.

6. THE REQUIREMENT

6.1 The Supplier shall supply the services as detailed in Section 5 above, subject to the following clarifications:

6.2 Clarification - Referrals

6.2.1 It is anticipated that the majority of referrals will be conducted by telephone with face to face appointments when deemed necessary. DfT(C) and VCA will therefore maintain the discretion to request face to face consultations on a case by case basis and will also fully consider advice from the OH Supplier on the merits of face to face consultation in individual cases, where this is medically justified. The OH Supplier must be able to provide access to off-site occupational health advice that accommodates the geographical spread of the Department's office locations and areas in which its staff operate. It is recognised that staff based overseas will need separate advice as to how individual cases are progressed.

6.2.2 The DfT(C) and VCA business units also expect that from the date of this contract, routine health screening and immunisations will be carried out by Occupational Health Advisors (OHA) and other nursing staff rather than Occupational Health Physicians (OHP) - unless there is clear advice from the Supplier to recommend otherwise.

6.2.3 On occasion, an employee may ask to be accompanied to a telephone conference or a face to face referral by their Trade Union representative or a companion. The Department would wish to agree such requests provided that they are reasonable and agreed with the Supplier in advance of the consultation date.

6.2.4 The template of the written report is to be approved by the Contracting Authority. Reports to be in plain English with all medical terms explained. Other templates for the processes to be approved by the Contracting Authority before commencement of the service. Advice on completing the necessary documents to be offered to the Line Manager.

6.2.5 Business units would need access to individual's records in the event of a personal injury claim following a signed form of authority from the individual.

6.3 Clarification - Immunisations, vaccinations & inoculations

6.3.1 Notwithstanding the Core Provision of OH132 – Flu Vaccinations, DfT(C) may need access to this service from time to time in the case of staff who are required to work overseas in the course of their work and possibly also for their dependents.

6.3.2 For example, the central Department's Aviation Security Directorate employs some 40 Regional Aviation Security Liaison Officers (RASLOs) who are based throughout their careers in embassies and High Commissions throughout the world. The RASLOs are supported by a London based team of ten people who routinely need to travel to these areas as part of their duties. (Note: RASLOs do not routinely require pre-employment health checks).

6.3.3 At present the central Department does not refer these staff or (in the case of the RASLOs their dependents) for immunisations/vaccinations/inoculations. Individuals are instead advised to make their own arrangements and claim back the associated costs from the Department. At this stage we would like to flag up that we may in future call on our OHS Supplier to provide this service for aviation security staff and for other employees and their dependents who need to travel or work abroad in the course of their duties. The overall numbers are small and if we decide to offer this service to our staff, we will also need in parallel to develop with the OHS Supplier, guidance to staff as part of our travel and transfer policy.

6.4 Clarification - Fitness for Task Assessments

6.4.1 Fitness to Travel or Work Overseas Assessment – It is anticipated that the annual numbers will be very small and may be required for our Regional Aviation Security Liaison Officers (RASLOs) who are based throughout their careers in embassies and High Commissions in Cairo, New Delhi, Rabat, Dubai and Nairobi.

6.4.2 Night Workers Assessment – It is anticipated that a small number of admin staff working a shift pattern may require a medical to ensure that they are suitably healthy for working alone at night. Other field workers such as inspectors working on land, sea and air transport issues may also from time to time require this service, but DFT(C) would request this on an ad hoc basis as the need arises.

6.4.3 Pregnant Worker Assessment - The Authority requires the Supplier to continue the current DfT practice, which requires the employee to complete a self-assessment form. The individual will forward the completed form to the Supplier and the Supplier will then contact the

individual to make the assessment. We expect all assessments to be carried out by telephone and by an OHA except where the Department or the Supplier consider that there is a compelling medical or other reason either for the individual to be seen face to face and or assessed by an OHP. The Supplier's report/recommendations should be returned to the individual and with their consent to the individual's line manager. A copy should also be provided to our Health and Safety Manager for information. We are happy to consider any alternatives proposed by the Supplier where they better reflect best practice or any legislative changes. DfT(C) would require any alternative forms and/or guidance to retain the requirement for an individual's line manager to regularly review the assessment as the pregnancy continues.

- 6.4.4 VCA also requires Fitness for Task/Safety Critical work Assessments which are currently via personal safety training questionnaires/assessment.

6.5 Clarification - Workplace Assessments

- 6.5.1 VCA require Workstation Assessments, Workplace Assessments, and Display Screen Equipment Assessments.
- 6.5.2 DfT(C) has separate arrangements for the provision of DSE assessments and DSE assessments are not therefore required for DfT(C) under this contract. But DfT(C) may wish, during the life of this contract, to include the provision of equipment recommended as a result of DSE assessments and OH referrals. DfT(C) will define their requirement at the appropriate point.
- 6.5.3 DfT(C) may wish to draw down dyslexia assessments and reasonable adjustments for hearing and sight loss within the life of this contract. We will define our requirements at the appropriate point

6.6 Clarification - Health Surveillance Assessment

- 6.6.1 The Supplier should note that where practicable, services common to a number of business units should be delivered in a consistent way and against common templates. The Department is looking as far as possible to standardise the OH across the DfT family.
- 6.6.2 The Authority's expectation is that this service will generally not be required by DfT(C) as none of its staff - including inspectors in the accident investigation branches - is subject to prolonged exposure to hazards.
- 6.6.3 The Supplier should note that Accident Investigation inspectors are potentially at risk of short-term exposure to unexpected or unidentified hazards, i.e. asbestos or radiation and for the Air Accidents Investigation Branch especially, in fire damaged spaces.

The operational teams are provided with protective equipment such as respirators, personal gas monitors, personal radiation dosimeters to reduce the likelihood and consequences of exposure to unidentified substances. DfT(C) may therefore wish to call on specialist advice in ad hoc cases where individuals or teams of individuals have been exposed to hazard.

6.7 Performance Review Meetings and Management Information

6.7.1 DfT(C) and VCA contract managers will expect to meet the Supplier for regular face to face Performance Review Meetings. These meetings will be held between each organisation and the Supplier separately and in accordance with business units' responsibility to manage their services locally. These meetings will take place at least quarterly unless agreed otherwise between individual business units and the Supplier. These meetings will be no charge to the Department for the Performance Review Meetings. Performance Review Meetings will take place either on DfT sites, at the Supplier's offices or by any other method agreed between the parties. CALL OFF SCHEDULE 6: SERVICE LEVELS, SERVICE CREDITS AND PERFORMANCE MONITORING

1. SCOPE

1.1 This Call Off Schedule 6 (Service Levels, Service Credits and Performance Monitoring) sets out the Service Levels which the Supplier is required to achieve when providing the Goods and/or Services, the mechanism by which Service Level Failures and Critical Service Level Failures will be managed and the method by which the Supplier's performance in the provision by it of the Goods and/or Services will be monitored.

1.2 This Call Off Schedule 6 comprises:

1.2.1 Part A: Service Levels and Service Credits;

1.2.2 Annex 1 to Part A - Service Levels and Service Credits Table; and

1.2.3 Annex 1 to Part B: Performance Monitoring.

PART A: SERVICE LEVELS AND SERVICE CREDITS

2. GENERAL PROVISIONS

- 2.1 The Supplier shall provide a proactive Call Off Contract manager to ensure that all Service Levels in this Call Off Contract and Key Performance Indicators in the Framework Agreement are achieved to the highest standard throughout, respectively, the Call Off Contract Period and the Framework Period.
- 2.2 The Supplier shall provide a managed service through the provision of a dedicated Call Off Contract manager where required on matters relating to:
- 2.2.1 Supply performance;
 - 2.2.2 Quality of [Goods and/or Services];
 - 2.2.3 Customer support;
 - 2.2.4 Complaints handling; and
 - 2.2.5 Accurate and timely invoices.
- 2.3 The Supplier accepts and acknowledges that failure to meet the Service Level Performance Measures set out in the table in Annex 1 to this Part A of this Call Off Schedule 6 will result in Service Credits being issued to Customers.

3. PRINCIPAL POINTS

- 3.1 The objectives of the Service Levels and Service Credits are to:
- 3.1.1 ensure that the Goods and/or Services are of a consistently high quality and meet the requirements of the Customer;
 - 3.1.2 provide a mechanism whereby the Customer can attain meaningful recognition of inconvenience and/or loss resulting from the Supplier's failure to deliver the level of service for which it has contracted to deliver; and
 - 3.1.3 incentivise the Supplier to comply with and to expeditiously remedy any failure to comply with the Service Levels.

4. SERVICE LEVELS

- 4.1 Annex 1 to this Part A of this Call Off Schedule 6 sets out the Service Levels the performance of which the Parties have agreed to measure.
- 4.2 The Supplier shall monitor its performance of this Call Off Contract by reference to the relevant performance criteria for achieving the Service Levels shown in Annex 1 to this Part A of this Call Off Schedule 6 (the "**Service Level Performance Criteria**") and shall send the Customer a Performance Monitoring Report detailing the level of service which was achieved in accordance with the provisions of Part B (Performance Monitoring) of this Call Off Schedule 6.
- 4.3 The Supplier shall, at all times, provide the Goods and/or Services in such a manner that the Service Levels Performance Measures are achieved.
- 4.4 If the level of performance of the Supplier of any element of the provision by it of the Goods and/or Services during the Call Off Contract Period:
- 4.4.1 is likely to or fails to meet any Service Level Performance Measure or
 - 4.4.2 is likely to cause or causes a Critical Service Failure to occur,

4.4.3 the Supplier shall immediately notify the Customer in writing and the Customer, in its absolute discretion and without prejudice to any other of its rights howsoever arising including under Clause 13 of this Call Off Contract (Service Levels and Service Credits), may:

- (a) require the Supplier to immediately take all remedial action that is reasonable to mitigate the impact on the Customer and to rectify or prevent a Service Level Failure or Critical Service Level Failure from taking place or recurring; and
- (b) if the action taken under paragraph (a) above has not already prevented or remedied the Service Level Failure or Critical Service Level Failure, the Customer shall be entitled to instruct the Supplier to comply with the Rectification Plan Process; or
- (c) if a Service Level Failure has occurred, deduct from the Call Off Contract Charges the applicable Service Level Credits payable by the Supplier to the Customer in accordance with the calculation formula set out in Annex 1 of this Part A of this Call Off Schedule 6; or
- (d) if a Critical Service Level Failure has occurred, exercise its right to Compensation for Critical Service Level Failure in accordance with Clause 14 of this Call Off Contract (Critical Service Level Failure) (including subject, for the avoidance of doubt, the proviso in Clause 14.2.2 of this Call Off Contract in relation to Material Breach).

4.5 Approval and implementation by the Customer of any Rectification Plan shall not relieve the Supplier of any continuing responsibility to achieve the Service Levels, or remedy any failure to do so, and no estoppels or waiver shall arise from any such Approval and/or implementation by the Customer.

5. SERVICE CREDITS

5.1 Annex 1 to this Part A of this Call Off Schedule 6 sets out the formula used to calculate a Service Credit payable to the Customer as a result of a Service Level Failure in a given service period which, for the purpose of this Call Off Schedule 6, shall be a recurrent period of **three Months** during the Call Off Contract Period (the "**Service Period**").

5.2 Annex 1 to this Part A of this Call Off Schedule 6 includes details of each Service Credit available to each Service Level Performance Criterion if the applicable Service Level Performance Measure is not met by the Supplier.

5.3 The Customer shall use the Performance Monitoring Reports supplied by the Supplier under Part B (Performance Monitoring) of this Call Off Schedule 6 to verify the calculation and accuracy of the Service Credits, if any, applicable to each relevant Service Period.

5.4 Service Credits are a reduction of the amounts payable in respect of the Goods and/or Services and do not include VAT. The Supplier shall set-off the value of any Service Credits against the appropriate invoice in accordance with calculation formula in Annex 1 of Part A of this Call Off Schedule 6.

6. NATURE OF SERVICE CREDITS

6.1 The Supplier confirms that it has modelled the Service Credits and has taken them into account in setting the level of the Call Off Contract Charges. Both Parties

agree that the Service Credits are a reasonable method of price adjustment to reflect poor performance.
