Clause 1

Freedom of Information Act and the Environmental Information Regulations

The Contractor shall provide all assistance to enable the Client and/or its clients to comply with any request received under the Freedom of Information Act 2000 and/or the Environmental Information Regulations should either be applicable to the Client.

In no event shall the Contractor or its Subcontractors respond directly to a Request for Information unless expressly authorised to do so by the Client.

Clause 2

Transparency

In order to comply with the Government's policy on transparency in the areas of procurement and contracts the

Contractor agrees that the Client and the sourcing documents issued by the Client which led to its creation will be published by the Client on a designated web site.

The entire Contract and all the sourcing documents issued by the Client will be published on the designated web site save where to do so would disclose information the disclosure of which would:

- (i) contravene a binding confidentiality undertaking that protects information which the Client, at the time when it considers disclosure, reasonably considers to be confidential to the Contractor;
- (ii) be contrary to regulation 21 of the Public Contracts Regulations 2015 as amended; or
- (iii) in the reasonable opinion of the Client be prevented by virtue of one or more of the exemptions in the FOIA or one or more of the exceptions in the Environmental Information Regulation (EIR).

If any of the situations in (i), (ii), (iii) apply the Contractor consents to the Contract or sourcing documents being redacted by the Client to the extent necessary to remove or obscure the relevant material and being published on the designated website subject to those redactions.

In this entire clause the expression "sourcing documents" means the advertisement issued by the Client seeking expressions of interest, any pre-qualification questionnaire stage and the invitation to tender.

Clause 3

Termination

The Client may terminate the Contract by written notice to the Contractor in any of the following circumstances:

- (i) Where it considers that the Contract has been subject to a substantial modification which would have required a new procurement procedure in accordance with Regulation 72(9) of the Public Contracts Regulations 2015(as amended) ("PCR 2015");
- (ii) Where it considers that the Contractor has at the time of the award of the Contract been in one of the situations referred to in Regulation 57(1) of the PCR 2015, including as a result of the application of regulation 57(2), and should therefore have been excluded from the procurement procedure;
- (iii) Where the Contract should not have been awarded to the Contractor in view of a serious infringement of the obligations under the EU Treaties and Directive 2014/24/EU of the European Parliament and of the Council that has been declared by the Court of Justice of the European Union in a procedure under Article 258 of the TFEU;
- (iv) Where the European Commission sends a reasoned opinion to the United Kingdom or brings the matter before the Court of Justice of the European Union under Article 258 of the TFEU alleging that the Contract should not have been awarded to the Contractor in view of a serious infringement of the obligations under the Treaties and Directive 2014/24/EU of the European Parliament and of the Council; or
- (v) Where a third party starts court proceedings against the Client seeking a declaration that the Contract is ineffective or should be shortened under Regulations 98 to 101 of the PCR 2015, which the Client considers have a reasonable prospect of success.

Such termination shall be effective immediately or at such later date as is specified in the notice. The Client shall not incur any liability to the Contractor by reason of such termination and shall not be required to pay any costs, losses or damage to the Contractor. Termination under this clause shall be without prejudice to any other rights of the Client.

Clause 4

Payment to other parties

The Contractor shall ensure, pursuant to obligations imposed on the Client under Regulation 113(2)(c) of the Public Contracts Regulations 2015 (as amended), that any subcontract awarded by the Contractor contains suitable provisions to impose, as between the parties to the subcontract, requirements that –

- (i) any payment due from the Contractor to the subcontractor under the subcontract is to be made no later than the end of a period of 30 days from the date on which the relevant invoice is regarded as valid and undisputed;
- (ii) any invoices for payment submitted by the subcontractor are considered and verified by the Contractor in a timely fashion and that undue delay in doing so is not to be sufficient justification for failing to regard an invoice as valid and undisputed; and
- (iii) any subcontractor will include, in any subcontract which it in turn awards, suitable provisions to impose, as between the parties to that subcontract, requirements to the same effect as those imposed in paragraphs (i), (ii) and (iii) of this Clause 4, subject to suitable amendment to reflect the identities of the relevant parties.

For the avoidance of doubt, in any situations that the Client is making payments to the Contractor without being presented with an invoice, the absence of an invoice does not waive any obligation regarding payments made by the Contractor to its subcontractors or supply chain.

Clause 5

Sub-contractors

The Client may (without cost to or liability of the Client) require the Contractor to replace any subcontractor where in the reasonable opinion of the Client any mandatory or discretionary grounds for exclusion referred to in Regulation 57 of the Public Contracts Regulations 2015 (as amended) apply to the subcontractor.

Clause 6

Modern Slavery Act 2015

warrants that to the best of its knowledge it is not currently under investigation, inquiry or enforcement proceedings in relation to any allegation of slavery or human trafficking offenses anywhere around the world.

shall make reasonable enquiries to ensure that its officers, employees and Subcontractors have not been convicted of slavery or human trafficking offences anywhere around the world.

shall have and maintain throughout the term of each Contract its own policies and procedures to ensure its compliance with the Modern Slavery Act 2015 and shall include in its contracts with its Subcontractors anti-slavery and human trafficking provisions;

shall implement due diligence procedures to ensure that there is no slavery or human trafficking in any part of its supply chain performing obligations under a Contract;

shall not use, or allow its employees or Subcontractors to use, physical abuse or discipline, the threat of physical abuse, sexual or other harassment and verbal abuse or other forms of intimidation of its employees or Subcontractors;

shall not use, or allow its Subcontractors to use, child or slave labour;

shall report the discovery or suspicion of any slavery or trafficking by it or its Subcontractors to the Client without delay during the performance of this Contract to utilise the following help and advice service, so as to ensure that it suitably discharges its statutory obligations. The "Modern Slavery Helpline" refers to the point of contact for reporting suspicion, seeking help or advice and information on the subject of modern slavery available online at <https://www.modernslaveryhelpline.org/report> or by telephone on 08000 121 700.

The Contractor agrees that during any term or extension it shall complete and return a slavery and trafficking report as advised below, covering the following, but not limited to areas as relevant and proportionate to the Contract evidencing the actions taken, relevant to the Contractor and your supply chain associated with this Contract.

- Impact assessments undertaken
- Steps taken to address risk/actual instances of modern slavery and how actions have been prioritised
- Evidence of stakeholder engagement
- Evidence of ongoing awareness training
- Business-level grievance mechanisms in place to address modern slavery
- Actions taken to embed respect for human rights and zero tolerance of modern slavery throughout the organization

The Client reserves the right to audit any and all slavery and trafficking reports submitted by the Contractor to an extent as deemed necessary and the Contractor shall unreservedly assist Client in doing so.

Note: The Client also reserves the right to amend or increase these frequencies, as it deems necessary to secure assurance in order to comply with the Modern Slavery Act. The Client requires such interim assurances to ensure that the Contractor is compliant and is monitoring its supply chain, so as to meet the requirements of the Modern Slavery Act.

The Contractor shall complete and return the slavery and trafficking report to the contact named in the Contract on the anniversary of the commencement of the Contract.

The Contractor agrees that any financial burden associated with the completion and submission of this report and associated assistance at any time, shall be at the Contractor's cost to do so and will not be reimbursable.

Clause 7

Taxation obligations of the Contractor

The relationship between Client and the Contractor shall be that of “independent contractor” which means that the Contractor is not a Client employee, worker, agent or partner, and the Contractor shall not give the impression that they are.

As this is not an employment Contract, the Contractor shall be fully responsible for all their own tax, including any national insurance contributions arising from carrying out the Services.

- (1) The Contractor in respect of consideration received under this Contract, the Contractor shall at all times comply with the Income Tax (Earnings and Pensions) Act 2003 (ITEPA) and all other statutes and regulations relating to income tax in respect of that consideration.
- (2) Where the Contractor is liable to National Insurance Contributions (NICs) in respect of consideration received under this Contract, it shall at all times comply with the Social Security Contributions and Benefits Act 1992 (SSCBA) and all other statutes and regulations relating to NICs in respect of that consideration.
- (3) The Client may, at any time during the term, completion extension or post termination of this Contract, request the Contractor to provide information which demonstrates how the Contractor complies with its obligations under tax and National insurance Clauses (1) and (2) above or why those Clauses do not apply to it.

A request under Clause (3) above may specify the information which the Contractor shall provide and the period within which that information must be provided.

In the case of a request mentioned in clause (3) above, the provision of inadequate information or a failure to provide the information within the requested period, during any term or extension, may result in the Client terminating the Contract.

Any obligation by the Contractor to comply with Clause (1), (2), (3) shall survive any term, extension, completion or termination and the Contractors obligations to Indemnify the Client shall survive without limitation until such time as any of these obligations are complied with.

The Client may supply any information, including which it receives under Clause (3) to the Commissioners of Her Majesty's Revenue and Customs for the purpose of the collection and management of revenue for which they are responsible.

If the Client has to pay any such obligations owed by the Contractor under Clauses (1) and (2) then the Contractor shall pay back to the Client in full, any money that the Client has to pay, and the Contractor shall also pay back the Client for any fine or compensate the Client for any other punishment imposed on the Client because the tax or national insurance due was not paid by the Contractor.

Clause 8

Assignment and Subcontracting

The Client or UK SBS acting as an agent on behalf of the Client may (without cost to or liability of the Client or UK SBS) require the Contractor to replace any subcontractor where in the reasonable opinion of the Client or UK SBS acting as an agent on behalf of the Client any mandatory or discretionary grounds for exclusion referred to in Regulation 57 of the Public Contracts Regulations 2015 (as amended) apply to the subcontractor.

Clause 9

- The Contractor does not take photographs of the Site or of work carried out in connection with the works unless it has obtained the acceptance of the Project Manager.

- The Contractor takes the measures needed to prevent its and its Subcontractors' people taking, publishing or otherwise circulating such photographs.
