Clarification request	Details of clarification
Can you please advise if we are to include a statement on blank paper stating that we can supply a parent company guarantee if needed?	<p>The instructions to tenderers state:</p> <p>'4. The Tenderer shall complete the Form of Tender together with the Bill of Quantities, <u>a statement to confirm that they will be prepared to enter into the Parent Company Guarantee (where appropriate)</u> and the Statement Relating to Good Standing and other Schedules attached to the Documents.'</p> <p>And,</p> <p>'21. The Council may require a Performance Guarantee by a Parent Company in the form incorporated in the Tender Documents. <u>Tenderers who have a parent company must therefore confirm that such a guarantee will be provided should it be requested</u> (it is not necessary to complete the Parent Company Guarantee at the time of Tendering). '</p> <p>The emphasis (underlining) has been given above to draw attention to the relevant elements but it is not in the instructions to tenderers.</p> <p>Tenderers who have parent companies should follow the instructions given.</p>
