

GRAIL Implementation Pilot Provider Engagement Event

We would like to invite you to join a virtual event run by NHS England (Cancer Innovation Team) (“the Commissioners” / “NHSE”) and supported by NHS Arden and GEM CSU (“AGCSU”).

- **What is it about?**
 - Introducing and updating the progress of **NHS-Galleri Pilot plans for a Multi Cancer Early Diagnosis Screening blood test to be rolled out in 23 ICSs in 2024**
 - How the project needs to be expanded over the coming years using existing phlebotomy services

- **What are we looking for?**
 - Engagement, ideas and feedback with regards to how the project may be expanded
 - **To gain working knowledge on your phlebotomy services**, and system capacity

- **When is it?**
 - **Monday 20th March 2023**, for 90 mins, starting at 2pm
 - Teams meeting (event will be recorded, with consent)

- **Who should attend?**
 - Anyone in your organisation that you think relevant! Please forward this flyer/advert on
 - There is no limit on numbers
 - Please note we are engaging with Providers in **specific ICBs at this time (see table below)**
 - See NHS-Galleri Trial | Detecting cancer early site for details on the current trial for details on the test (<https://www.nhs-galleri.org/>)

Please note that this event is NOT to present any upcoming procurement process or contract opportunity – the event is the first part of engaging with Providers to get appropriate knowledge and information about current services, and system capacity.
