AW1.1

FORM OF BID

I declare that to the best of my knowledge the answers submitted in this Mini Competition are correct. I understand that the information will be used in the process to assess my organisation's suitability to be invited to bid for UK SBS's requirement and I am signing on behalf of my organisation. I understand that the Contracting Authority may reject this Mini Competition if there is a failure to answer all relevant questions fully or if I provide false/misleading information.

I understand that the Government's transparency agenda requires that sourcing documents, including Mini Competition templates such as this, are published on a designated, publicly searchable web site, and, that the same applies to other sourcing documents issued by UK SBS, including the Request for Quotation, and any contract entered into by UK SBS or its customers with its preferred supplier once the procurement is complete.

By submitting a response to this Mini Competition I agree that our participation may be made public.

I understand that the answers given in this response will not be published on the web site (but may fall to be disclosed under Freedom of Information Act 2000 or Environmental Information Regulations 2004).

By submitting a response to this Mini Competition I agree and accept the justification for the Contracting Authority's evaluation criteria.

By submitting a response to this Mini Competition I agreed and accept that UK SBS reserves the right to change without notice the procedure for awarding the Contract, to reject any or all bids for the Contract, to stop the process and not award the Contract (in whole or in part) at any time without any liability on its part.

By submitting a response to this Mini Competition I agree and accept that nothing in this process is intended to form any express or implied contractual relationship between the Parties unless and until a Contract is awarded. UK SBS is not liable for any costs resulting from cancellation of this process nor any costs incurred by Bidders taking part in this procurement process.

I understand that where sourcing documents issued by UK SBS or contracts with its suppliers fall to be disclosed UK SBS will redact them as it thinks necessary, having regard (inter alia) to the exemptions/exceptions in the FOIA or EIR.
