The main official Toyota Distributor is located in Nairobi. The Distributor will also carry out a 100 Km service check, free of charge except for lubricants, fluids or filters used, and will arrange the application of warranty if necessary.</p> <p>Non-Toyota equipment fitted as a TGS option is not endorsed by Toyota and consequently shall not benefit from the Toyota warranty and warranty service. This non-Toyota equipment will be separately warranted by TGS who will match the conditions of the warranty of the original manufacturer. It is important that the Pre-Delivery Inspection (PDI) is carried out by the Toyota Distributor before the vehicle is put into operational use. Whilst all arrangements to carry out the PDI and warranty validation must be handled through the main distributor, the actual inspection and validation may be carried out at a choice of official dealerships located in Mombasa, Kisumu, Eldoret, Lokichoggio, Lodwar, Nakuru, Kitale, Nanyuki, Meru, Nyeri, Kericho.</p>

## **Annex A – Standard Terms**

### **CALL-OFF INCORPORATED TERMS**

The following documents are incorporated into this Call-Off Contract. Where numbers are missing we are not using those schedules. If the documents conflict, the following order of precedence applies:

1. The Simple Order Form including the Call-Off Special Terms
2. Joint Schedule 1 (Definitions and Interpretation).
3. Framework Special Terms
4. The following Schedules in equal order of precedence:
  - Joint Schedules
    - Joint Schedule 2 (Variation Form)
    - Joint Schedule 3 (Insurance Requirements)
    - Joint Schedule 11 (Processing Data) the Buyer shall be the Controller and the Supplier the Processor
  - Call-Off Schedules
    - Call-Off Schedule 9 (Security) Annex A
    - Call-Off Schedule 17 (MOD Terms)
    - Call-Off Schedule 23 (HMRC Terms)
5. CCS Core Terms (version 3.0.11)
6. Joint Schedule 5 (Corporate Social Responsibility)

No other Supplier terms are part of the Call-Off Contract. That includes any terms written on the back of, or added to this Order Form, or presented at the time of delivery.

### **CALL-OFF SPECIAL TERMS**

The following Special Terms are incorporated into this Call-Off Contract:  
 Addendum to Core Terms – Special Terms

Please note that the following terms supersede that which is stated within Clauses 3.2.3; 3.2.4; 3.2.10; 3.2.11 and 4.1 of the Core Terms:

**3.2.3** The Supplier transfers risk of the Goods on Delivery and ownership of the Goods on payment for those Goods.

**3.2.4** Risk in the Goods remains with the Supplier if the Buyer notices damage at the time of Delivery.

**Framework Schedule 6A (Simple Order Form Template and Call-Off Schedules)**

Crown Copyright 2022

3.2.10 The Supplier must indemnify the Buyer against the direct costs of any Recall of the Goods and give notice of actual or anticipated action about the Recall of the Goods.

3.2.11 The Buyer can cancel any order or part order of Goods which has not been Delivered. The Buyer will pay the Supplier's reasonable and proven costs already incurred on the cancelled order as long as the Supplier takes all reasonable steps to minimise these costs, including an attempt to redeploy the in-build vehicle to an alternative customer. Cancellation terms for converted vehicles or vehicles above 3.5 tonnes should be agreed by the Buyer and Supplier prior to award of the Call Off Contract.

4.1 In exchange for the Deliverables, the Supplier must invoice the Buyer or Requesting Body for the Charges in the Order Form.

**MAXIMUM LIABILITY**

The limitation of liability for this Call-Off Contract is stated in Clause 11.2 of the Core Terms.

**CALL-OFF CHARGES****PAYMENT METHOD**

Payment for Supplier deliverables will be made via EXOSTAR [CP&F End to End Guide Including Exostar' \(publishing.service.gov.uk\)](#) Where the Supplier submits an invoice to the Authority in accordance with EXOSTAR instructions, the Authority will consider and verify that invoice in a timely fashion. The acceptance process will include a full inspection of the vehicles, ensuring full compliance with deliverables.

The Authority is mandated to use a General Accounting Rate (GAR), as set by HMRC, to calculate any currency conversion. The current GAR for conversion from GBP to JPY is 1GBP = 192,6387 JPY. This rate will be used, as necessary, to calculate any currency conversion.
