8. These amendments relate to an increase in fees, expenses and extension of the Contract End Date. The extension proposed is March 2021. This increase and extension allow Plan International to scale up their existing operations on the WASH Results programme to provide an additional 653,045 people with WASH services and helps DFID towards its new 60 million people manifesto commitment.

9. Please confirm in writing by signing and returning one copy of this letter, within **30 working days** of the date of signature on behalf of DFID that you accept the amendments set out herein.

10. Please note the provision in the contractual letter that the financial limit of the UK Government's liability to the Supplier under this engagement shall not exceed the sum specified unless the amount of any such excess has been agreed by the Department for International Development in writing before the Supplier takes any action which might result in the financial limit being exceeded.
