"Client" means person, firm or corporate body to whom the Service Provider is introduced and supplied by the Company.

"Confidential Information" means any information relating to the business and affairs of both the Company and the Client and to the identity and business and affairs of either parties' customers and clients and potential customers and clients which comes to either parties' attention or possession and which both parties regard or could reasonably be expected to regard as confidential, whether or not any such tangible information is marked 'confidential'.

"Engagement" means the engagement, employment, retention or utilisation of a Service Provider other than through the Company and "Engage" shall be construed accordingly.

"Extended Period of Hire" means an extended period of hire during which the Service Provider will be supplied to the Client by the Company, upon no less favourable terms, the length of which is determined by the duration of the Agreement and which will be calculated on a sliding scale as follows:

2 The Agreement

- 2.1 The Agreement is deemed to have been accepted by the Client with effect from the date of an Introduction and shall remain in force for the period specified in the relevant schedule unless terminated in accordance with Clause 10 below.
- 2.2 The Parties agree that the terms of this Agreement shall only apply to business conducted between the Client and Real Staffing Group, and are not applicable to business conducted by any of the Company's other trading divisions.

3 Performance of Services

- 3.1 Prior to the commencement of the Supply:
 - 3.1.1 the Company shall, if practicable, notify the Client if the Regulations apply to the Agreement; and
 - 3.1.2 the Client warrants to provide the Company with the AWR Compliance Information, in order that the Company can comply with its obligations under the Agency Workers Regulations, to the extent applicable.
- 3.2 Services
 - 3.2.1 The Supply shall be for the period detailed in the relevant schedule. The Service Provider is engaged by the Company under a contract for services.
 - 3.2.2 It is the Client's responsibility to specify its requirements and timeframes and to provide all information to the Service Provider and to liaise with the Service Provider to ensure it is providing the Services as required and to the Client's satisfaction, such service reviews should be conducted prior to authorising worksheets which will commit the Client to settle invoices. The Client shall, at its own expense, provide the Service Provider with all documents or other materials and data, or other information necessary for the completion of the Services. The Service Provider shall use its own equipment where appropriate.
 - 3.2.3 The Service Provider shall freely and independently arrange its activities and may perform the Services at its place of business subject to prior agreement with the Client.
 - 3.2.4 The Service Provider may schedule the Services at its discretion subject to the terms set out in the schedules and agreement with the Client.
 - 3.2.5 The Client shall ensure that the Service Provider is accorded sufficient access to any of the Client's premises, information, data or personnel and use of any equipment, which is reasonably necessary for the completion of the Services. Whilst the Service Provider is working at the Client's premises, its Consultant(s) should be provided with a suitable place of work and such materials in a good condition and sufficient for the purposes for which they are required and the Client should ensure that the Service Provider's Consultant(s) abides by the rules and regulations of the Client's site.
 - 3.2.6 The Client understands that the Service Provider is providing specialist independent services and that the Consultant(s) should not be integrated into the Client's workforce, nor should the Client issue employer type instructions.
 - 3.2.7 Whilst the Service Provider's Consultant(s) is working at the Client's premises, the Client shall ensure that the health and safety standards required by the applicable law and regulations are observed. The Client undertakes to notify the Company of specific risks to health or safety known to it and what steps the Client has taken to prevent or control such risks and confirms it knows of no reason why it would be detrimental to the interests of the Service Provider to undertake the Supply.

3.2.8 The Client will provide the Service Provider with its data protection policies and (where required) training as soon as practically possible, and in any event prior to the Supply commencing.

3.3 Standard of Services

3.3.1 The Company shall use its best endeavours to ensure that the Service Provider is suitable to carry out the Services with reasonable skill and care and in this regard has made all reasonable enquiries of the Service Provider concerning suitability and technical competence. The Company does not test the Service Provider's technical skills and it is for the Client to satisfy itself as to the Service Provider's overall capability to fulfil the Agreement when interviewing the Service Provider and/or during the first week of the commencement of the assignment. The Company will accept no responsibility for information relating to the Service Provider, which is outside its knowledge.

3.3.2 The Client should notify any complaints concerning the Service Provider's performance promptly to the Company.

3.4 The Company shall issue a Schedule 1 detailing terms specific to the Supply to the Client prior to its commencement.

4 Payment of fees

4.1 The Client shall pay the Company for all work performed by the Service Provider. All charge rates, including additional hour rates and special rates for weekends and bank holidays, are set out in the relevant schedule. Fees are calculated by multiplying the relevant charge rate by the number of hours/days/weeks (as appropriate) worked by the Consultant(s) in performing the Services.

4.2 The Company shall provide the Service Provider with access to the Online Worksheet System to record the time worked by the Consultant(s). The Service Provider will submit these worksheets to the Client for authorisation either in writing or by way of online authorisation. It is the Client's responsibility to ensure that the worksheets are a true reflection of the time worked by the Service Provider, and that it is satisfied with the quality of the work performed. Failure to authorise the worksheet(s), for any reason, does not absolve the Client of its obligation to pay the Company's charges in respect of all Services supplied by the Service Provider.

4.3 The Client shall authorise these worksheets via the Online Worksheet System without delay, or in the case of manual worksheets sign the worksheets and return them promptly to the Service Provider. In any event the Client shall be obliged to authorise worksheets (whether online or manual) within 14 days of their submission by the Service Provider.

4.4 The Parties acknowledge that the Company relies on the fact that the Client has authorised the worksheets when making payment to the Service Provider, and that the Company may also rely on any refusal by the Client to authorise the worksheets, for instance by disputing (including in legal proceedings) the Service Provider's right to payment. The Client shall assist the Company if it needs to verify hours claimed on a worksheet. The Client shall retain one copy of each worksheet for its own records.

4.5 An authorised representative of the Client must approve all expenses, before they are incurred, and provide confirmation of such approval either in writing or through the Online Worksheet System. The Client may reimburse the Service Provider's expenses directly. The Client shall retain copies of all expense receipts submitted.

4.6 An invoice for the work performed by the Service Provider shall be presented to the Client for payment, and the Client warrants that it shall be paid within 14 days of the invoice being tendered, unless otherwise specified in the relevant schedule or unless a standing order is arranged. No fee rebates shall apply.

4.7 In the event of late payment of an invoice, the Client shall pay to the Company statutory interest on the sum due, in accordance with the Late Payment of Commercial Debts (Interest) Act 1998 (as amended from time to time) together with the compensatory payment specified by section 5A of the aforesaid Act. The Client shall be liable to the Company and indemnify the Company fully in respect of any legal costs incurred by the Company as a result of failure by the Client to pay an invoice in accordance with sub-clause 4.6. For the avoidance of doubt, the provisions of this clause are without prejudice to any other rights which the Company may possess (whether at common law or under statute) to recover interest or costs.

4.8 The Company shall be responsible for making payment to the Service Provider and in no circumstances shall the Client make payment to the Service Provider directly, except as specified in sub-clause 4.5 above.

4.9 Under no circumstances should the Client discuss with the Service Provider the rates charged by the Company to the Client.

4.10 The Client agrees to supply the Company with any required Purchase Order within 14 days of the last working day covered by the worksheet. Where the Client fails to do so the Company is authorised to invoice the Client without an accompanying Purchase Order. The Company's invoice shall be payable as specified in sub clause 4.6 above.

5 Special Payment Conditions

5.1 Any special conditions as to payment, if applicable, shall be specified in a schedule to the Agreement.

6 Intellectual Property Rights

6.1 All Intellectual Property Rights and other rights shall belong to the Client and the Company shall assist the Client in acquiring any Intellectual Property Rights that shall arise as a result of the Services.

7 Confidentiality

7.1 Except as permitted by law, the Parties shall not disclose any Confidential Information relating to the other party without the other party's prior written consent.

7.2 Either party shall immediately notify the other party if it becomes aware of the possession, use or knowledge of any of the Confidential Information by any unauthorised person, whether during or after the term of the Agreement and shall provide such assistance as is reasonable to deal with such an event.

8 Limitation of Liability

8.1 The Company shall, subject to Sub Clause 8.2 below, indemnify the Client against its direct losses, to the extent that such death, injury, loss or damage is attributable to its negligent acts or omissions in its provision of employment business services.

8.2 The Company shall not have any liability to the Client under or in connection with the Agreement howsoever arising in respect of loss of profits or contracts or for special, indirect or consequential loss or damage, or for any increased costs or expenses and its liability under

- 8.5 The Client shall indemnify and hold the Company harmless against any all claims, losses, liabilities, damages, expenses or costs (including legal costs) connected with, or resulting from any claim (whether valid or invalid) made by a Consultant against the Company under Part 3 of the Agency Workers Regulations arising out of any breach or alleged breach of the Agency Workers Regulations by the Client, and or any failure to provide the AWR Compliance Information in accordance with clause 3.1.2.

9 Replacement of the Service Provider / Consultant(s)

- 9.1 The Client shall notify the Company in writing if it wishes to terminate the Services of the Service Provider in reliance upon Sub Clause 10.5 below. The Client shall provide the Company with a clear written account of the problems and the Company shall endeavour to find a replacement.
- 9.2 The provision of a replacement is in no way an acceptance by the Company that the work carried out by the Service Provider was not carried out with reasonable skill and care.
- 9.3 The Service Provider may substitute the Consultant named in Schedule 1 provided that;
 - 9.3.1 the Services remain as detailed in the Agreement; and
 - 9.3.2 the Client and the Company are reasonably satisfied that the proposed substitute possesses the necessary skills, expertise and resources to fulfil the Services; and
 - 9.3.3 the Client is reasonably satisfied that the proposed substitute will comply with its rules on health, safety, security and confidentiality; and

This is without prejudice to the Company's other rights under Clause 10.
