

Wickham Parish Council

Tender enquiry for lighting installation for Knowle Village Hall car park 15th February 2021.

1. Project

Design and installation of a pedestrian lighting scheme for Knowle Village Hall car park

2. Site address

Knowle Village Hall, Knowle Avenue, Fareham, Hampshire PO17 5GR

3. Scope of the works

Tenders are invited for the design and installation of a discrete lighting system sympathetic to the semi-rural surroundings of Knowle. The proposed lighting is to ensure customer safety when accessing and leaving Knowle Village Hall and the car park.

The area suffers from some vandalism and adjoins a football pitch and the proposals must respond to these challenges.

A plan of the car park and paths is attached together with the approximate services layout for the site.

4. Drawing schedule

Dwg ref SP-03B Services layout

Dwg ref SP-04D Carpark and path layout

5. Site visits

The site is open and accessible for visits during the working day

6. Return date

26th March 2021
