

MVHR and Ventilation

1:50

Visible installation possible such as Recording Room

Design Risks & Hazards: Please inspect the site and study all drawings before any work is carried out. There are services around and pipes in the ground. Any work on an existing property should have an asbestos survey. The site is located within a park with many visitors.

This drawing is copyright to the author and any use of the information requires written permission. Do not make any construction drawings from this drawing and all dimensions are to be checked on site and any discrepancy, error or omission is to be reported to the architect. This drawing shall be used in conjunction with all relevant technical specifications and standards.
