

The Demonstration, Manufacture and In-service support of the Combat Water Supply System (CWSS) Prime Contract for Provision and Support of Expeditionary Water Services

Assumed Usage

Annex A to

DEFFORM 47

CWSS ASSUMED USAGE

Introduction

1. Support requirements are intrinsically linked to the use of the equipment; although a level of maintenance will be required for equipment in storage, a higher level of preventative maintenance and increased frequency of repairs will be required for equipment in use. Below is the Authorities assumed usage for CWSS equipment.

2. Usage of the CWSS falls into four categories:

- Training
- Exercises
- Operational Use
- Storage
