Please note the following:

We can only provide a proper estimated repair cost once the Omega mesh gauges have been investigated at our premises. The prices mentioned above can differ depending on the exact problem.

Sales conditions:

Marelec Food Technologies NV's attached General Terms and Conditions of Sale are applicable insofar as the conditions below do not deviate from them:

- Price: Fixed, excluding taxes, for delivery in 2021;
- Delivery: Ex works, transport costs on invoice;
- Payment: 30 days from invoice date, ex works
- Warranty: 12 months after delivery, on parts and labour
- Validity offer: 30 days.

Return address:

You can return the Omega mesh gauge in its yellow protection case, including all accessories and the document attached to the address mentioned below:

MARELEC Food Technologies
F.a.o. Friedolien Quintens
Redanweg 15
8620 Nieuwpoort
Belgium

Every shipment leaving a Non-EU country for Europe (or the other way around) will need a commercial invoice for customs. Please mention our VAT and EORI number BE0554865932 on your invoice for customs.

Remaining available for all additional information,

Best regards,

MARELEC
Food Technologies
