- 5.3 The Contract is not an exclusive arrangement and nothing in the Contract operates to prevent the Company from engaging any other organisation or person to supply goods and services similar to or the same as the Goods and Services.

6 Additional Goods and Services

The Company may, at any time during the term of the Contract, request the Supplier to provide a quotation for the supply of Additional Goods and/or Additional Services in accordance with the Contract Variation Procedure and Schedule 2 (Prices). (b) if there is more than one basis, each basis and the amount attributable to it.

It is immaterial for the purposes of this Clause 8.9 that the amounts referred to in Clause 8.9(a) or Clause 8.9(b) may be zero. - 8.16 The Company shall be entitled to the Supplier's standard discount for prompt payment.
- 8.17 The Supplier agrees that if at any time during the Initial Period it supplies any Goods to a comparable customer for less than the Contract Price, it shall reduce the relevant rates and prices to match the lower price for so long as the lower price is available (but for no longer) and shall refund the Company the difference between the Contract Price and the lower price in respect of its purchases of the Goods after the Supplier began charging the lower price. For the purposes of this Clause 8.17, 'comparable' means a customer that purchases products in substantially similar volumes as the Company on broadly similar terms and conditions.

The Company shall not be entitled to deduct such amount from the price payable for such Goods or to claim such amount from the Supplier by way of Liquidated Damages for delay to the extent that the delay is due to (i) a default or other act of prevention of the Company, its agents, employees or contractors (other than the Supplier) or (ii) a Force Majeure Event, or (iii) a Permitted Delay Event.

- 9.4 The Supplier accepts that the amount of Liquidated Damages under the Contract constitutes a genuine pre-estimate of the loss that would be suffered by the Company as a result of the Supplier's failure to achieve the Expected Delivery Date.
- 9.5 The Goods shall be properly packed and secured in such a manner as to reach the Delivery Address in good condition and otherwise in a condition which fully complies with the requirements of the Contract.

- 9.8 In the event that all or any of the obligations of the Supplier under the Contract to pay Liquidated Damages are held to be unenforceable, the Supplier agrees to pay the Company damages in respect of all actual Losses suffered by the Company due to the circumstances in respect of which Liquidated Damages would have been payable if the relevant obligation had been enforceable including, without limitation, loss of profit, loss of use, loss of revenues, loss of production and loss of savings. The damages payable by the Supplier in accordance with this Clause 9 shall not exceed the amounts which would have been payable if the relevant obligation(s) to pay Liquidated Damages had been enforceable save where such obligation(s) are held to be unenforceable as a result of any argument or proceedings raised or brought by the Supplier that such obligation(s) are unenforceable, in which case the amount of such damages shall be unlimited.
- 9.9 The Supplier will not, and will ensure that neither its subcontractors, suppliers nor any other person will have, a lien, charge or encumbrance on or over any of the Goods which are vested in the Company under Clause 16.2 for any sum due to the Supplier or its subcontractors, suppliers or other persons and the Supplier shall take all reasonable steps as may be necessary to ensure

that the title of the Company and the exclusion of any such lien charge or encumbrance are brought to the notice of subcontractors and other persons dealing with any such Goods.

- 9.10 The Company shall be under no obligation to accept or pay for any Goods delivered in excess of the quantity ordered. If the Company elects not to accept such over-delivered Goods it shall be entitled to give notice in writing to the Supplier to remove them. Within 7 days of receipt by the Supplier of such notice the Supplier shall remove the excess and refund to the Company any expenses incurred by the Company as a result of such over-delivery (including but not limited to the costs of moving and storing them) failing which the Company shall be entitled to dispose of such Goods and to charge the Supplier for the costs of such disposal. The risk in any over-delivered Goods shall remain with the Supplier until they are collected by or on behalf of the Supplier or disposed of or purchased by the Company, as appropriate

The Company shall be entitled, at any time within thirty (30) days of receipt, to instruct and authorise the Supplier to proceed with the variation on the terms so set out by each party by completing and signing Part C of one copy of the Variation Proposal (which, following such signature, will be referred to as a **"Variation Order"**) and supplying such Variation Order to the Supplier. The relevant part(s) of the Contract shall thereupon be varied accordingly.
- 3 The Supplier may propose a variation, after requesting the issue by the Company of a Variation Proposal variation number, by completing Parts A and B of a Variation Proposal and supplying two (2) copies of it to the Company. The Company shall be entitled, at any time within thirty (30) days of receipt, to instruct the Supplier to proceed with the variation on the terms so set out by the Supplier by completing and signing Part C of one copy of the Variation Proposal (which, following such signature, will be referred to as a **"Variation Order"**) and supplying such Variation Order to the Supplier. The relevant part(s) of the Contract shall thereupon be varied accordingly.

- 5 The price indicated by the Supplier must be the full price and shall cover all costs associated with the variation. If appropriate a range of prices may be shown corresponding to the quantity of Goods and range of Services to be provided.
- 6 In an emergency, both parties shall use their reasonable endeavours to expedite the actions permitted or required under the Contract Variation Procedure.

- 7 The Company will not accept any retrospective claims for additional work caused by a variation which has not been approved by the Company in accordance with the Contract Variation Procedure before the commencement of such additional work.
- 8 All authorised additional work resulting from any Variation Proposal shall be priced in accordance with any applicable rates set out in Schedule 2.
9. The Supplier shall at all times act reasonably and shall price each Variation Proposal at the least possible additional cost to the Company that it is reasonably and economically practicable for the Supplier to offer and which has the least possible impact on the terms of the Contract, including, but not limited to the Specification and the Programme.
- 10 Strict adherence to the procedure described in this Schedule 4 shall be a condition precedent to any addition to the Contract Price for the Goods and Services. BETWEEN: -

- (1) **London Underground Limited** registered in England and Wales under number: 01900907 and having its registered office at 5 Endeavour Square, London E20 1JN (the “**Company**”);
- (2) [] a company registered in England and Wales under number: [.....] and having its registered office at [.....] (the “**Sub-Contractor**”); and
- (3) [] a company registered in England and Wales under number: [.....] and having its registered office at [.....] (the “**Supplier**”).

WHEREAS:-

NOW IN CONSIDERATION of the payment of £1 (one pound) by the Company to the Sub-Contractor (receipt of which the Sub-Contractor hereby acknowledges) IT IS HEREBY AGREED as follows:

1. The Sub-Contractor warrants to the Company that:
 - (a) the Sub-Contract Supply have been and will be carried out with the skill and care to be expected of appropriately qualified and experienced professional contractors with experience in carrying out works or services of a similar type, nature and complexity to the Sub-Contract Supply;

25

 - (i) the design of any goods, works or services to the extent that the Sub-Contractor has or will be responsible for such design;
 - (ii) the selection of all goods and materials comprised in the Sub-Contract Supply (in so far as such goods and materials have been or will be selected by the Sub-Contractor);

- (d) it has the right to grant to the Company all licences (including without limitation all rights to sub-license) of all intellectual property rights as contemplated in this Agreement.

For the purposes of construing the warranties in this Clause 1 references to the Sub-Contract Supply shall include any part of the Sub-Contract Supply. Each warranty shall be construed as a separate warranty and shall not be limited by reference to, or reference from, the terms of any other warranty or any other term of the Sub-Contract.

2. The Sub-Contractor shall, save in so far as he is delayed by any event in respect of which the Supplier is granted an extension of time under the Main Contract for completion of the Supply:

- (a) Execute and complete the Sub-Contract Supply in accordance with the provisions of the Sub-Contract; and
 - (b) ensure that the Supplier shall not become entitled to any extension of time for completion of the Supply or to claim any additional payment under the Main Contract due to any failure or delay by the Sub-Contractor.
- 3. The Sub-Contractor shall from time to time supply the Company and the Supplier with such information as either may reasonably require.
- 4. To the extent that the intellectual property rights in any and all Documents have not already vested in the Company or the Supplier, the Sub-Contractor hereby grants to the Company an irrevocable, non-exclusive, non-terminable, royalty-free licence to copy and make full use of any and all Documents and all amendments and additions to them and any works, designs or inventions of the Sub-Contractor incorporated or referred to in them for the following purposes:
 - (a) understanding the Supply;

 - (d) enabling the Company to carry out the operation, maintenance repair, renewal and enhancement of the Underground Network (as such capitalised terms are defined in the Main Contract);
 - (e) executing and completing the Supply; and
 - (f) enabling the Company to perform its functions and duties as Infrastructure Manager and Operator of the Underground Network (as such capitalised terms are defined in the Main Contract)

provided always that the Supplier shall not be liable for the consequences of any use of the Documents as aforesaid for any other purpose. Such licence shall carry the right to grant sub-licences and shall be transferable to third parties without the prior consent of the Sub-Contractor.

For the purposes of this Clause, the term "**Documents**" shall mean documents, items of information, data, reports, drawings, specifications, plans, software, designs, inventions and any other materials provided by or on behalf of the Sub-Contractor in connection with the Sub-Contract (whether in existence or to be made).

5. The Sub-Contractor agrees:

- (a) on request at any time to give the Company or any persons authorised by the Company access to the material referred to in Clause 4 and at the Company's expense to provide copies of any such material; and
- (b) at the Sub-Contractor's expense to provide the Company with a set of all such material on completion of the Sub-Contract Supply.

6. The parties hereby agree that:

- (a) this Agreement shall be personal to the Sub-Contractor;
- (b) the Company may assign the benefit of this Agreement to any third party;
- (c) the rights and remedies contained in this Agreement are cumulative and shall not exclude any other right or remedy available to either party in law or equity.

7. The Sub-Contractor warrants and undertakes to the Company that he has maintained and will continue to maintain all insurances required to be maintained pursuant to the terms of the Sub-Contract and that, insofar as he is responsible for the design of the Sub-Contract Supply, he has professional indemnity insurance with a limit of indemnity of not less than *[two million pounds (£2,000,000)]* in respect of each and every claim which may be made against the Sub-Contractor in respect of the Sub-Contract Supply. The Sub-Contractor shall maintain such professional indemnity insurance for a period of 12 years from completion of the Supply provided such insurance remains available at commercially reasonable rates and shall notify the Company forthwith if such insurance ceases to be so available. When deciding whether such insurances are available at commercially reasonable rates, no account shall be taken of any increase in the premium or imposition of terms which arise as a result of the Sub-Contractor's insurance claims record.

8. If any dispute of any kind whatsoever arises between the parties in connection with this Agreement or the Sub-Contract Supply which raises issues which are in opinion of the Company the same as or substantially the same as issues raised in a related dispute (the

"**Related Dispute**") between the Company and the Supplier and such Related Dispute has already been referred to a conciliator or arbitrator appointed under the provisions to that effect contained in the Main Contract, then the Sub-Contractor hereby agrees that the Company may at his discretion by giving notice in writing to the Sub-Contractor refer the dispute arising out of this Agreement or the Sub-Contract Supply to the adjudicator, conciliator, arbitrator or other party (the "**Appointed Party**") appointed to determine the Related Dispute. In this event the Appointed Party shall have power to give such directions for the determination of the dispute and the Related Dispute as he may think fit and to make such awards as may be necessary in the same way as if the procedure of the High Court as to joining one or more defendants or joint co-defendants or third parties was available to the parties and to him.

9. (a) Neither the Sub-Contractor nor the Supplier shall exercise or seek to exercise any right which may be or become available to it to terminate or treat as terminated the Sub-Contract or discontinue or suspend the performance of any of its duties or obligations thereunder or treat the Sub-Contract as determined without first giving to the Supplier or the Sub-Contractor (as applicable) not less than 35 days prior written notice of its intention to do so, with a copy to the Company, specifying the Sub-Contractor's or Supplier's grounds for terminating or treating as terminated the Sub-Contract or discontinuing or suspending its performance thereof or treating the Sub-Contract as determined.
- (b) If the Main Contract is terminated for any reason, within 35 days of such termination the Company may give written notice to the Sub-Contractor and to the Supplier (a "**Step-in Notice**") that the Company or its appointee shall henceforth become the Supplier under the Sub-Contract in accordance with the terms of sub-clause (c) below.
- (c) With effect from the date of the service of any Step-in Notice:
 - (i) the Company or its appointee shall be substituted in the Sub-Contract as the Supplier thereunder in place of the Supplier and references in the Sub-Contract to the Supplier shall be construed as references to the Company or its appointee;
 - (ii) the Sub-Contractor shall be bound to continue with the performance of its duties and obligations under the Sub-Contract and any exercise or purported exercise by the Sub-Contractor prior to the date of the Step-in Notice of any right to terminate or treat as terminated the Sub-Contract or to discontinue or suspend the performance of any of its duties or obligations thereunder or to treat the Sub-Contract as automatically determined shall be of no effect;

- (iii) the Company shall become bound by the terms and conditions of the Sub-Contract in respect of all obligations and duties of the Supplier thereunder which fall to be performed after the date of the Step-in Notice and shall promptly thereafter make payment of any amounts properly due to the Sub-Contractor as at the date of the Step-in Notice and still outstanding; and
 - (iv) the Supplier shall be released from further performance of the duties and obligations of the Supplier under the Sub-Contract after the date of the Step-in Notice, but without prejudice to any rights and remedies of:
 - (1) the Sub-Contractor against the Supplier in respect of any matter or thing done or omitted to be done by the Supplier on or before the date of the Step-in Notice; and
 - (2) the Supplier against the Sub-Contractor in respect of any matter or thing done or omitted to be done by the Sub-Contractor on or before the date of the Step-in Notice.
 - (d) Notwithstanding anything contained in this Agreement and notwithstanding any payments which may be made by the Company to the Sub-Contractor, the Company shall not be under any obligation to the Sub-Contractor and the Sub-Contractor shall not be under any obligation to the Company unless the Company shall have served a Step-in Notice pursuant to Clause 9(b) above.
10. The Sub-Contractor's liabilities, duties and obligations hereunder shall be no greater and of no longer duration than the liabilities, duties and obligations which the Sub-Contractor owes to the Supplier under the Sub-Contract.
11. The Sub-Contractor further undertakes to indemnify the Company from and against the consequences of any breach by the Sub-Contractor of any of the warranties, covenants and undertakings contained in this Agreement.
12. The rights and benefits conferred upon the Company by this Agreement are in addition to any other rights and remedies that the Company may have against the Sub-Contractor including, without prejudice to the generality of the foregoing, any remedies in negligence.

13. Nothing contained in this Agreement shall in any way limit the obligations of the Supplier to the Company arising under the Main Contract or otherwise undertaken by the Supplier to the Company in relation to the Sub-Contract Supply.
14. No amendment to this Agreement shall be valid unless it is in writing and signed by all parties.
15. Any person who is not a party to this Agreement may not enforce any of its terms under the Contracts (Rights of Third Parties) Act 1999.
16. This Agreement shall be governed by and construed in accordance with English law and shall be subject to the exclusive jurisdiction of the Courts of England and Wales.

Schedule 11

Supplier Performance

1 Management and Reporting on KPIs

Monitoring will be based on a cooperative approach and will be transparent. The Contractor will be reviewed on KPI performance at regular intervals in line with Contract Review meetings. The Contractor will maintain a KPI report which presents KPI performance data for each period for the LUL standard thirteen period financial years. This will include reasoning for any variance or exceptions to the target KPI levels. The report will be issued to the company contract manager not less than every quarter.

2 Key Performance Indicators (KPI's)

Key Performance Indicators have been defined in terms of Quality, On Time Delivery, and Contract administration. Key Performance Indicators will be used to measure and incentivise the Contractor's performance relative to the target levels agreed.

2.1 Delivery

The target is 100% on time delivery in full, to the agreed times included in the Programme.

2.2 Quality

The Supplier will supply Goods with target 0% Defects. In the event Defects are found the escalation process will begin.

2.3 Stock Holding

Stock holding to be measured by review of the agreed delivery schedules, Contract Programme and in line with London Underground's Material Team.

- The Supplier shall maintain the value of agreed stock holding. Where the stock holding is:
- below 100% for 4 or more Accounting Periods over a rolling six Accounting Periods;
- below 90% for 2 or 3 Accounting Periods over a rolling six Accounting Periods; or
- below 75% in any single Accounting Period;

the escalation process shall begin.

3 Service Delivery Indicators

3.1 LUL Investigation

If London Underground Limited reasonably considers that the numbers of Rejection Claims and/ or Warranty Claims, shortages, missing and damaged in general for any category of Goods are materially or unreasonably high, then the Supplier shall if requested by London Underground Limited undertake a reasonable investigation to identify the reasons for this and which Goods in particular are affected, propose for agreement with London Underground Limited an action plan with a view to achieving improvements within 3 periods, and implement any such action plan. If improvements cannot be achieved due to circumstances beyond the Supplier's control, the Supplier shall inform London Underground Limited within one period of any investigation being requested of the reasons for this, the parties will review the position, and if reasonable agree an exception any affected Spares. This neither affects nor replaces the Escalation Process in 2.

3.2 Specific Trends

Where London Underground Limited considers that it has identified a trend (taking into account rejections and/ or warranty claims, shortages and missing and damaged for components supplied at any time historically under any previous agreements) with respect to Rejection Claims for a given component, such that of those components are being rejected for the same or similar reasons, and as a consequence of which it is experiencing genuine and material operational or service quality problems, then:-

- a) the Supplier shall monitor such Spares and their failures over an agreed period relative to the Spares, but normally 3 periods, and report on such trend;
- b) if there is a genuine trend, then London Underground Limited may notify this as a Performance Issue.

This neither affects nor replaces the Escalation Process in 2.

3.3 Obsolescence Report

Following each period the Supplier shall provide a report detailing those Spares with known obsolescence issues. This neither affects nor replaces the Escalation Process in 2.

3.4 Liquidated Damages

Following each period end the Supplier shall provide a report showing the following details for that period and the 12 periods up to and including that period:-

- Liquidated Damages claims made in that period.
- Liquidated Damages claims made prior to that period but still outstanding at any point in that period.
- For each of those claims, details of those accepted, rejected, and in dispute.
- For each of those claims a financial summary covering value of the claims and any other associated costs payments between the parties.

4 Escalation Process

In the event of unsatisfactory performance standards, including (but not limited to) failure to reach the targets set by the Service Delivery Indicators or Key Performance Indicators, failure to reach the targets set by the key performance indicators (in 1.1. above), faults open beyond the rectification time and any other deficiencies in performance, the escalation process shall be invoked by the Company in their absolute discretion.

The purpose of the escalation process is to provide a structured framework within which the Parties can address unsatisfactory performance standards against timescales and deliverable targets. For the purposes of this process notified levels of poor performance will be termed "**Non-Conformances**".

This procedure operates with four levels; the lowest level Non-Conformance being Level 1. Should Non-Conformances escalate they will receive an appropriate level of management intervention from the Company and the Supplier. Level 3 gives final review and opportunity for remedial actions to resolve issues before the Non-Conformance reaches Level 4, which will entitle the Company to terminate in accordance with Clause 20.1 of this Agreement.

In the event that a performance issue is not resolved between the Company and the Supplier then the Non-Conformance may be raised formally to a Level 1 or Level 2 Non-Conformance, depending upon the severity of the performance failure. It is possible for a number of Level 1 and/or Level 2 issues to be in hand at any one time.

4.1 Summary of Escalation Process

| TRIGGER | LEVEL | ACTION | BY | RESULT |
|---|---------|---|----------|---|
| Failure to rectify identified non- conformance issued as part of KPIs and/ or SDIs | LEVEL 1 | Improvement plan with precise end date required. On going review dates specified. | Supplier | Satisfactory - Stop Unsatisfactory - Level 2 |
| Level 1 re-occurrence Consistent failure to meet required requirement Safety Condition infringements. | LEVEL 2 | Improvement plan with precise end date required. Ongoing review dates specified. | Supplier | Satisfactory - Stop Unsatisfactory - Level 3 |

| TRIGGER | LEVEL | ACTION | BY | RESULT |
|-----------------------|---------|---|----------|---|
| Level 2 re-occurrence | LEVEL 3 | Final review. Final opportunity for remedial action. Precise end date required. | Supplier | Satisfactory - Stop Unsatisfactory - Level 4 |
| Level 3 re-occurrence | LEVEL 4 | POSSIBLE TERMINATION | | |

Issues shall be resolved locally on a day-to-day basis to the mutual satisfaction of all Parties and shall not be raised to Level 1 without prior endeavours to resolve. At this stage of the process, the Supplier may be required to supply a Root Cause Analysis and a Recovery Plan.

4.2 Level 1

The Level 1 Non-Conformance will be recorded by the Company and a notice submitted to the Supplier. The Supplier shall in response (such response to be within 10 Business Days of service of the notice by the Company) prepare and submit to the Company a Level 1 Non-Conformance Report. Such report will contain:

- Confirmation of the date and details of the Level 1 Non-Conformance
- The steps to be taken by the Supplier to ensure there is no repetition of such Level 1 Non-Conformance (the "**Level 1 Required Action**")
- The time within which such Level 1 Required Action is to be completed (which shall be a reasonable period and no longer than the "**Level 1 Rectification Period**").

The Supplier and the Company will use all reasonable endeavours to agree the Level 1 Rectification Period and the Level 1 Required Action. If the agreed Level 1 Required Action is carried out within the agreed Level 1 Rectification Period then the Non-Conformance will be classed as closed.

4.3 Level 2

If the Company determines, that a Non-Conformance should be treated as a Level 2 Non-Conformance; or the Supplier fails to provide the Company with a Level 1 Non-Conformance Report within 10 Business Days; or the Supplier fails to rectify the Level 1 Non-Conformance within the Level

1 Rectification Period, then this shall be a "Level 2 Non-Conformance" and the Company will submit a notice to the Supplier.

The Supplier shall in response (such response to be within 10 Business Days of service of the notice by the Company) prepare and submit to the Company a Level 2 Non-Conformance Report. Such report will contain:

- Confirmation of the date and details of the Level 2 Non-Conformance
- The steps to be taken by the Supplier to ensure there is no repetition of such Level 2 Non-Conformance (the "**Level 2 Required Action**")
- The time within which such Level 2 Required Action is to be completed (which shall be a reasonable period and no longer than the "**Level 2 Rectification Period**").

The Supplier and the Company will use all reasonable endeavours to agree the Level 2 Rectification Period and the Level 2 Required Action.

If the Level 2 Required Action is taken within the agreed Level 2 Rectification Period then the Non-Conformance will be considered resolved. However, a record of the Non-Conformance will be made and Level 2 trends monitored.

4.4 Level 3

If the Company determines, that a Non-Conformance should be treated as a Level 3 Non-Conformance; or the Supplier fails to provide the Company with a Level 2 Non-Conformance Report within 10 Business Days; or the Supplier fails to rectify the Level 2 Non-Conformance within the Level 2 Rectification Period, then this shall be a "**Level 3 Non-Conformance**" and the Company will submit a notice to the Supplier.

The Supplier will provide the Company a report (a "**Level 3 Non-Conformance Report**"), setting out the steps which the Supplier has taken, or will take, to ensure that no further Non-Conformances of this type shall arise (the "**Level 3 Required Action**"); and the period (being no greater than 2 months from the time of occurrence of the Level 3 Non-Conformance for the Supplier to put in place steps to ensure that no further Non-Conformances of the same type occur (the "**Level 3 Rectification Period**").

4.5 Level 4

The Supplier fails to provide the Company by the agreed deadline, a Level 3 Non-Conformance Report; or the Supplier fails to undertake the Level 3 Required Action within the Level 3 Rectification

Period; or the Supplier fails to rectify the Level 3 Non-Conformance within the Level 3 Rectification Period.
