For the Secretary of State for Education

S31 Grant Determination Letter for the Role of Regional Coordinator for the Special Educational Needs and Disability Reforms in 2020-21: GD number is 31/5003

This Determination is made between:

(1) **The Secretary of State for Education** and

(2) Local authorities for:

Durham County Council
London Borough of Barnet
Leicester City Council
Oldham Metropolitan Borough Council
Peterborough City Council
Portsmouth City Council
Solihull Metropolitan Borough Council
Torbay Council
Wakefield District Borough Council

Purpose of this grant

Local authorities can use this grant funding to support them in their role as regional coordinator for the implementation of the Special Educational Needs reforms from April 2020. They may, however, choose how to spend the money in order to best meet local need.

The aspiration of the Department for Education is that regional coordinators should use the funding provided to:

- Improve the quality of services for children and young people with SEN and disabilities, whether in education, health or social care.
- Ensure a strong spirit of co-production with parents and young people, and ensuring individual children, young people and their parents are at the heart of decisions made about the provision they receive.
- Build relationships between local authorities and their health and social care partners.
- Build relationships across educational institutions, including early years settings, mainstream and special schools, FE colleges and independent or non-maintained providers.

Some success measures which regional coordinators may wish to employ are provided at Annex A.

Grant allocations

Total funding of £200,000 is available for this programme in 2020-21 with funding to be split between the regional coordinators.

Funds will be made available in the form of an unringfenced grant. Details of allocations to be made to each regional coordinators are set out in Annex B.

Payment arrangements

Payment will be made in two instalments on the last Fridays in August 2020 and February 2021.

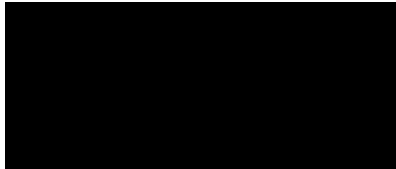

Arrangements for keeping in touch with the Department for Education and the Delivery Support Contractor.

Formal reporting to the Department for Education on progress is not a condition of this grant. However, previous successful applicants for this award have described in their expressions of interest how they intended to use the funds to drive improvement in their region and were invited to continue working with the Delivery Support Contractor on delivery planning and systems for measuring and sharing progress on a voluntary basis. The Department for Education would be happy to continue receiving any information about effective practice that is gathered by the regional coordinators during 2020-21.

This letter has been copied for information to the SEND regional coordinators for all named authorities and to Her Majesty's Treasury and the Department for Communities and Local Government.

If you have any questions about the contents of this letter, please contact the SEN and Disability implementation mailbox at [REDACTED]

Yours sincerely,

Deputy Director
Special Educational Needs and Disabilities

Department for Education
