IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

Section VI: Complementary information

VI.3) Additional information:

The following certification will be a requirement of the upcoming tender exercise and applicants may be required to include evidence of this with their tender submission.

— ISO 9001:2015 or equivalent externally accredited and up-to-date quality standard certificate(s) to cover all segments of the applicant's (and the product's) supply chain. This should include but not be limited to manufacturing storage and distribution. Further information in respect of certification requirements will be set out in the notice for the forthcoming procurement. If such certificates are not in the name of the applicant then the Applicant must supply a copy of agreements setting out the authority and responsibilities of all parties in the supply chain.

The purpose of this notice is to draw attention to a procurement that NHS Supply Chain intends to commence during the subsequent 12 months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time.

The framework agreement between NHS Supply Chain and successful suppliers will reserve the right to purchase the same or similar supplies and/or services from suppliers not appointed to the framework agreement at its sole discretion.

NHS Supply Chain expects to provide successful suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing, value added offerings and commitment/bulk buy initiatives.

Framework agreement will be between NHS Supply Chain and the Supplier, however:

- 1) NHS Supply Chain;
- 2) any NHS Trust;
- 3) any other NHS entity;
- 4) any government department, agency or other statutory body; and/or
- 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the supplier for any of the supplies and/or services under the framework.

The supplier will be required to report to and pay a direct contract management fee to NHS Supply Chain as detailed in the tender documents.

NHS Supply Chain is currently considering the use of lots for this procurement. However, it reserves the right not to as part of any future tender process. Further information in respect of the lot strategy will be set out in the notice for the forthcoming procurement.

As part of its pre-tender strategy, NHS Supply Chain would also like to engage with suppliers of these products via a request for information (RFI). If you would like to complete the request for information document in respect of the products which are the subject of this procurement then please follow the below instructions:

Candidates wishing to complete the request for information must register their expression of interest. The request for information document will then be sent via the Intenda Messaging Centre.
