CHAIR OF THE INDEPENDENTLY CHAIRED CARE (EDUCATION) AND TREATMENT REVIEW PANEL

I am writing to confirm your appointment and the terms of your appointment as an Independent Review Panel Chair (the “Chair”) to potentially chair a panel reviewing the care of people with learning disabilities and/or autism being cared for in long-term segregation (the Independently Chaired Care (Education) and Treatment Review “ICETR”).

You may be asked to undertake more than one ICETR or you may not be required to undertake any ICETRs. You therefore acknowledge that the fact of your appointment as a Chair does not guarantee that you will be called upon to undertake an ICETR.

This Agreement (consisting of this Letter of Appointment and Annexes A-D) shall become legally binding once you confirm to us that you are happy to act as Chair on the terms outlined in this Letter and its Annexes A – D.

Annex A sets out the terms of your appointment by the Department of Health & Social Care (the “Department”) and **Annex B** outlines the roles and responsibilities the Chair.

You acknowledge that in undertaking the role of a Chair, your relationship with the Department will be as an independent contractor and the appointment of Chair does not create any contract of employment or employment relationship between the Chair and the Department.

Your initial appointment commenced on 1 October 2021 and is going unless terminated (in accordance with Annex A) or otherwise extended by agreement between us (and recorded in writing).

Annex B contains a description of the Services that you will be expected to fulfil in order to Complete an ICETR.

Annex C attaches the Department’s Expenses Policy.

Annex D sets out further instructions regarding the treatment of Confidential Information (as defined in Annex A).

You will receive a Fee of £1200 for each Completed ICETR (as more particularly set out in Annex B). Depending on the number of reviews completed, you could receive between £0-£50,000.

In addition, you will receive expenses paid in line with the Department’s expenses policy, as set out in Annex A.

If required, DHSC standard terms supersede the terms stated in this contract.

Please acknowledge receipt of this letter and confirm that you accept the role as a Chair on the terms outlined, by signing a copy of this letter and returning this to the Department in the manner outlined in Condition 13.2 of Annex A below.

May I take this opportunity to wish you every success in your appointment as an ICETR Chair.

- 12.1.7 commits any offence under the Bribery Act 2010.

Any delay by the Department in exercising its rights to terminate shall not constitute a waiver of those rights.

The Department may terminate the Agreement, or any part of it, at any time for any reason by giving the Chair 5 working day's written notice. The Chair shall be entitled to payment for Services delivered up to the termination date.

Neither the expiry nor the termination of the Agreement shall prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue either to the Department or to the Chair and the conditions in the Agreement which expressly or impliedly have effect after termination will continue to be enforceable notwithstanding termination.

13. GENERAL

The Chair may not assign or transfer the Agreement or any of its rights or obligations, (including by way of subcontracting) without the prior written consent of the Department. The Chair shall be fully responsible for and shall indemnify the Department for and in respect of:

- 15.1.1 Any value added tax, income tax, National Insurance and social security contributions and any other liability, deduction, contribution, assessment or claim arising from or made in connection with the engagement of the Chair and/or the performance of the Services, where the recovery is not prohibited by law;
- 15.1.2 all reasonable costs, expenses and any penalty, fine or interest incurred or payable by the Department in connection with or in consequence of any such liability, deduction, contribution, assessment or claim other than where the latter arise out of the Department's negligence or wilful default in respect of the matters for which the indemnity in condition 15.1.1 has been given;
- 15.1.3 any claim made by the Chair against the Department arising out of or connected to any act or omission of the Chair.

16. SAFEGUARDING AND RAISING CONCERNS

- 16.1 The Chair agrees to comply with the terms of the NHSE Safeguarding policy (a copy of which will be made available to the Chair). In the event that the Chair has any concerns regarding safeguarding issues, the Chair agrees to follow the procedures outlined in the NHSE Safeguarding Policy and to take the following steps:

Annex C: DHSC Expenses Policy

Rate caps and subsistence rates

Expenses for overnight stays

For the **UK**, the limits are:

£130.00 for London and Bristol.

£85.00 elsewhere.

The lowest cost option should always be the default.

Alternatively, if you stay anywhere other than in a hotel or guest house (e.g. staying with friends) you may claim a “Friends & Family” allowance of £25.00 for which a receipt is not required. Please note this allowance attracts income tax and National Insurance Contributions liability and so, if claimed, the department will make arrangements for the associated liability to be paid over through PAYE on your behalf – this liability will be fully funded, and you will see the adjustment to your gross pay on your pay slip to accommodate. The allowance itself will be paid through D365 expenses.

Claimants are asked to be mindful should regular deductions from their pay be based on Gross Pay, such as Student Loan repayments, this small change could bring different automatic repayments into force.

Should your host not provide you with an evening meal as part of this stay then normal meal allowances rates will apply, governed by time away from office. See Subsistence Rates. Receipts will be required.

For **overseas** stays the maximum cost of the hotel is specified as the “Room Rate” as per the [HMRC Worldwide Subsistence Rates](#). *

[HMRC Worldwide Subsistence Rates](#)

The [subsistence rates](#) discussed below should be used to cover the cost of any meals when staying overnight in the UK, provided that the cost of these meals is not also included in the accommodation payment.

For overseas travel, the maximum meal allowances (supported by receipt) are as specified in the HMRC Worldwide Subsistence Rates (see link above).

In addition to subsistence rates, up to £5.00 per overnight stay receipted expenses can be claimed for incidental overnight expenses (non-subsistence) via the expense category ‘Other business expenses’ where you have incurred incidental expenditure while on a business trip in the UK. These incidentals may be for example to cover charge for laundry, phone calls or forgotten essential personal items such as a toothbrush.

For travel outside the UK you may claim up to £10.00 per overnight stay receipted incidental overnight expenses via the expense category ‘Other Business Exp. Overseas’.

Other than already mentioned, there will be no reimbursement for non-receipted expenses. As such, DHSC no longer pay a Residential Course Allowance.

Subsistence Rates

Subsistence rates for time away from the office within the UK

In order to claim the following expenses, your business journey needs to be at least five miles away from your normal place of work and you need to deduct your normal travel time to and from normal office to home to calculate appropriate away from office subsistence rates.

If you are required to attend work away from your home or permanent workplace on official business at a detached duty location (that is five miles or more away from your permanent workplace by the most direct travel route), and you incur a meal (including beverage) cost that is more than you would normally have incurred at home or your office, you may claim:

Day subsistence away over 5 hours - one receipted meal* up to a ceiling limit of £5.

Day subsistence away over 10 hours - two receipted meals* up to a ceiling limit of £10

Where you are away from the office for over 5 hours and time out of office goes beyond 8pm, an additional rate of up to £10 may be added to the ceiling for the cost of a meal during this time.

Day subsistence away over 5 hours (and ongoing at 8pm) two receipted meals* up to a ceiling limit of £15

Day Subsistence away over 10 hours (and ongoing at 8pm) three receipted meals* up to a ceiling limit of £20

Day Subsistence away over 15 hours (and ongoing at 8pm) - three receipted meals* up to a ceiling limit of £25

You **cannot** claim a meal allowance:

- If you do not purchase a meal or retain receipt for presentation in support
- If the time you spend on the business trip away from your permanent workplace or home is less than 5 hours
- If you spend no more than you would have done at your permanent workplace or home
- If suitable food is provided free of charge, for example at meetings or training venues
- where suitable meals are included in the cost of your air or rail ticket
- If you are less than 5 miles away from your normal place of work.

You should not purchase your meal before or after your business trip has started or ended. This is because meals purchased outside a business trip for consumption within a business trip are liable for tax and National Insurance Contributions.

For example: If you purchase a sandwich the night before the start of your business journey the next day and subsequently claim reimbursement for this expense as part of your meal allowance claim, it would render this element of your meal allowance claim liable to tax and NICs. If, however, you purchased the sandwich at the station after you left home or office to start your business journey then claim reimbursement for this expense as part of your meal allowance claim, this element of your claim would not attract tax or NICs.

***Claiming for alcohol is not allowed**

Subsistence rates for time away from the office outside the UK

DHSC approved rates for overseas travel are based on the worldwide subsistence rates as updated by [HMRC worldwide subsistence rates](#).

Full itemised receipts are required, and the amounts stated act as a limit/ceiling for claims.

Cars

Staff who own their own vehicle and have insured it for business use may be reimbursed the following rates:

- 45p per mile for the first 10,000 miles in any tax year (starting 6 April), and
- 25p per mile for any subsequent miles.

The mileage rate is to cover fuel and for additional associated motoring costs such as additional insurance premiums, repairs, maintenance etc.

Supplements for official passengers:

- 5p per mile for each passenger

For hire cars, actual fuel costs will be reimbursed on the provision of fully itemized receipts and should be claimed through the expense category 'Car Rental – Mileage'.

If you are provided with a car for business use, you will be individually notified of the rate applicable in your contract with the Department.

Motorcycle travel

- 24p per mile

Bicycle travel

- 20p per mile

When calculating any mileage to be claimed, any normal home to duty mileage must be deducted from the total.

ANNEX D – CONFIDENTIAL INFORMATION

All Confidential Information received in connection with the ICETR shall be dealt with in the following manner:

1. The Chair shall notify the Department, immediately on becoming aware of the loss of any Confidential Information and any data breach and shall take all such steps as the Department shall require to address such loss and/or breach.
2.
