Dear Sirs

Centre for Defence Enterprise Proposals

Contract No. DSTLX1000095562 – Research and Development into Novel, printable battery architectures.

1. You are hereby informed of the Department's requirement, reference DSTLX1000095562 and you are invited to accept the offer of the Contract, details of which are set out in the attached Schedule of Requirements. The Schedule describes the requirements and sets out the contract terms and conditions which will take effect upon acceptance by you of the Department's offer. Please note that with regard to the request for the inclusion of a limit of liability clause this was not accepted as the terms and conditions for contracting under CDE are accepted when submitting a CDE proposal with the exception of agreed limits under Defcon 76.
 2. If you wish to accept this offer, will you please complete and sign the enclosed Acceptance of Offer of Contract (DEFFORM 10) and return it to the Department at the address shown above by post within as specified in the attached Defform 10. Your Acceptance of the Department's offer must be unqualified. If you do not accept the Department's offer within the period specified, then the Department's offer shall lapse.
 3. No contract will come into existence until you have accepted the Department's offer in accordance with paragraph 2 above. Accordingly, the Department shall not be responsible in any way whatsoever
 - (i) for any work undertaken by you; nor
 - (ii) for any costs incurred by you
- prior to your unconditional acceptance of the Department's offer.
4. When you have accepted the Department's offer in accordance with paragraph 2 above, you should proceed with the performance of the Contract.
 5. Where no price is stated in the price column of the Schedule of Requirements:
 - (a) You must submit your quotation (supported where appropriate by a Certified Statement of Costs) as soon as practicable so that prices can be fixed in accordance with the provisions for price fixing contained in the Contract. In order to facilitate pricing, your quotation must include an analysis showing the way in which you have built up your price(s). The analysis will normally show the amounts included under such headings as: Direct Labour (man hours

and wage rates); Overheads; Materials; Bought out parts; Sub-contracted work; Special Jigs, tools etc; and Profit.

- (b) Amounts in respect of work placed with subsidiary companies or firms must be separately identified. Any other relevant information or explanations, e.g. of amounts included for contingencies, must also be separately identified and explanations given. In particular, if the wage rates or overhead rates are not those last agreed with the Department, an explanation must be given of the basis on which they have been calculated.

6. Nothing contained in this Letter of Offer and in the attached Schedule shall be construed as notifying or implying acceptance by the Department of any estimated or suggested price or of any condition of contract which may have been referred to orally or in writing in any previous discussion or correspondence.

7. SUPPLY OF INFORMATION ABOUT SUBSTANCES REFERRED TO IN THE MONTREAL PROTOCOL

As a signatory to the Montreal Protocol on substances that deplete the Ozone Layer, Her Majesty's Government is committed to the reduction of the production and consumption of those substances controlled under the Protocol. Therefore, Her Majesty's Government wishes to know which substances at Annex A to this letter are contained in the Articles, which are the subject of this Offer of Contract. Accordingly you must provide, with your acceptance of this offer a list specifying:

- a. all substances listed at Annex A (adopting the nomenclature used therein) contained in the Articles (including the packaging thereof, whether or not specified in the contract),
- b. the quantity of each of the substances at Annex A contained in the Articles, and
- c. where in the Articles (including packaging) the substances listed at Annex A are contained, or
- d. confirm that you have a "NIL RETURN" in respect of a, b and c above.

8. CONTRACTOR COMMERCIAL SENSITIVE INFORMATION SCHEDULE

Please identify on the "Commercial Sensitive Information Form" at Annex B, information which is considered to be commercially sensitive and where publication would prejudice commercial interests, it may be necessary to withhold this information from publication by applying the exemption and redaction processes detailed in the Transparency – Publication of Tenders and Contracts CPS, as detailed below:
