	LV	Electric Underground - LV
	COMMS	Motorway Comms
	WATER	Water Main

- NOTES**
- The Statutory Undertakers information shown on this drawing is purely indicative based on information received from Utility Companies. No guarantee is given as to its accuracy, it is intended for guidance only. Before any works commence the contractor shall confirm the location of apparatus with the appropriate Statutory Undertaker.
  - All services are underground unless otherwise noted.
  - The Contractor shall make arrangements with the Statutory Undertakers and others concerned, for the coordination of his work with all work which needs to be done by them or their contractors concurrently with the works.
  - Private services to individual properties have not generally been shown on this drawing.
  - The Contractor shall locate the precise position of all underground services using a detecting device and by hand excavation of trial pits in accordance with the Health and Safety Executive guidance HSG47.
  - Disconnected apparatus shall be removed by the Contractor only with the prior consent of the Statutory Undertaker concerned.
