	Paint corbels	●		
	New RWP	○		
	New / paint soil & waste pipes	●		
	Silicone windows	●		
	& around rear door			
	Stone paint extension / kitchen	○		
	K Render / renew render to extension / kitchen	○		
		○		
Rear yard:	Stone paint yard wall	○		
	Render / renew render to yard walls (inside & outside)	●		
	Take down and re-build yard wall	○		
	Fit new yard wooden gate, paint black.	●		
	Fit house number to Gate	●		
Services:	Protect all existing cables and refix after works.			●
	Protect existing Satellite / TV aerial / Cable T.V. cables etc. and refix after works.			●
	Remove, refit, protect satellite dish / TV aerial.			●
	Protect all existing security cameras / cables and refix after works.			●

Protect existing gas appliance flue and provide a gas safety test certificate upon completion of the works. ●
Protect any existing vent covers for the duration of the works. ●

Optional / Additional Works:

- Due to the roofing over the rear yard being fixed to the rear elevation, we can only K render down to the lean too roof and not to the ground level, unless we gain access to render the yard walls internally but we will not interfere with the roof construction over the rear yead.
- Paint the plywood over the yard wall (boxing the yard in).

Additional Notes

The work highlighted / indicated (●) in this document will be done at NO cost to you.

Your comments:

I authorise / do not authorise Burnley Council to carry out the work highlighted / indicated in this document.
