

SURVEY KEY:

- Extents of Duct Survey
- Existing Ducts
- Existing Drawpits

NOTES:

- 1. Duct Survey:**
 - 1.1. Ducts for signaling equipment to be investigated to determine the number of ducts present and whether or not there are any blockages.
 - 1.2. The type of cable utilizing each duct is to be identified by a suitably qualified Contractor.
 - 1.3. The location of existing drawpits and ducts shown on the drawing have been plotted using historic as-built information and may not cover all the signals equipment.
 - 1.4. For survey Specification and testing requirements refer to Works Information document in the Handover Pack.
- 2. Statutory Undertakers:**
 - 2.1. For the location of all Statutory Undertakers Apparatus refer to drawing number 570134A-010001.
