

Price List

Name 603635 A40 Over Deck - Structural Survey (trial holes, concrete testing and soil sampling)

Contractor [Contractor to state name]

Guidance notes & preamble for the Contractor

The Contractor is paid in accordance with Clause 50 & 51. The rates and prices entered in the Price List shall be deemed to be the full inclusive value of the work covered by the items

You are required to submit a Rate or Price for each Item associated with the Providing the Works

Where an Item has specified Quantity, you should enter a value in the Rate column and the Price for each Item should be equal to the specified Quantity multiplied by your submitted Rate. Payment for these items will be made in accordance with the Contract i.e. total Quantity completed multiplied by the Rate.

For Items where the unit is specified as 'lump sum' you should submit a Price only.

All Rates and Prices must be quoted in pounds and whole new pence to two decimal places and exclude VAT. Any item priced as zero must be explained within your tender proposal.

You should ensure the total is correct before submission. If necessary, the Employer may contact a tenderer whose Offer has required an arithmetical adjustment.
