II.1) Title attributed to the contract by the contracting authority:

National Fuels Framework.

II.2) Type of contract and place of delivery or of performance

Service category No 27: Other services
United Kingdom.
NUTS code UK

II.3) Information on framework agreement

II.4) Short description of nature and quantity or value of supplies or services:

Crown Commercial Service (CCS) as the Contracting Authority intends to invite tenders for a framework agreement for the supply of fuels to central government organisations and the wider public sector across the UK, including Northern Ireland. This will be carried out by the Open Procedure and tenders will be accepted in English only. The framework will include but may not be limited to heating oil, automotive fuel, marine fuel, aviation fuel, biomass fuels, solid fuel and liquefied petroleum gas. CCS are also considering the inclusion of associated services such as tank cleaning and maintenance, fuel testing, lubes and greases, fuel additives, tank metering and telemetry and any other associated services.

The exact details of the requirement, contractual arrangements and whether these requirements will be split into further lots has yet to be decided.

The values noted below are estimated and for guidance purposes only. These estimates are based on an approximation of potential public sector and are based on current demand via CCS arrangements. The estimates provided do not factor in potential future increase or decrease in requirements.

Estimated cost excluding VAT:

Range: between 0 and 2 000 000 000 GBP

II.8) **Additional information:**

Crown Commercial Service is seeking market engagement to inform and shape this Framework and suppliers are invited to participate in this.

This market engagement will be managed electronically via the Crown Commercial Service's Emptoris System.

To participate in this market engagement, participants must first be registered on the Emptoris System.

If you have not yet registered on the Emptoris System, this can be done online at

<https://gpsesourcing.cabinetoffice.gov.uk> by following the link 'Register for CCS eSourcing'.

Please note that, to register, you must have a valid DUNS number (as provided by Dun and Bradstreet) for the organisation which you are registering, who will be entering into a contract if invited to do so. Full instructions for registration and use of the system can be found at

<https://www.gov.uk/government/publications/esourcing-tool-guidance-for-suppliers>

Once you have registered on the Emptoris System, a registered user can express an interest for this market engagement or in the future for a specific procurement. This is done by emailing

ExpressionOfInterest@crowncommercial.gov.uk

Your email must clearly state: the name and reference of the activity (market engagement or specific procurement etc) you wish to register for; the name of the registered supplier; and the name and contact details for the registered individual sending the email. Crown Commercial Service will process the email and then enable the supplier to access the procurement online via the Emptoris System. The registered user will receive a notification email to alert them once this has been done.

The closing date for responses to the RFI will be 23.9.2016

Following closure of the RFI, The Contracting Authority may undertake face to face supplier engagement with some participants in order to clarify or gain more details

The Contracting Authority intends to use an eTendering system in this procurement exercise.
