This data is produced from the C2 STATS application SafeStrike, created and maintained by the Kier GIS department. Whilst every effort has been taken to ensure the accuracy of the data contained within this map, the information contained should not be used for any purpose other than as a general guide to the location of existing services. The download data herein is intended to fulfill the CDM C2 initial search requirements. Does not include highways street lighting currently. Please contact GIS@Kier.co.uk with any queries.

Exact positions & depths must be obtained by excavation trial holes.

Warranties and Liability: Kier Highways Limited does not accept any liability what so ever for the accuracy of the data contained within this drawing. The information provided in this drawing is based upon the information supplied and collected from numerous sources, whose accuracy cannot be guaranteed. While we make all possible efforts to ensure that the content provided herein is correct and up to date, however, we offer no guarantee as to its accuracy.

To be read in conjunction with C2 data from the PROVE-IT Datastore
