The assessment panel concluded that, compared to other tenders, you have demonstrated a clear track record of supporting schools of different types and in different contexts. You have also clearly articulated your understanding of current policy and academic research; as well as your prior success in working nationally on government priorities.

In the coming days, you will be sent a draft contract for review, based on the details set out in the Invitation to Tender. These contract negotiations will proceed on a “**without prejudice basis**”. You are advised not to incur any expense or enter into any binding

arrangements until such time as you receive the signed and dated contract back from the Department.

We will not be announcing the identity of the successful Ambassadors until after the contract has been officially signed. We would therefore be grateful if you could treat the information enclosed in this letter sensitively and not disclose publicly at this stage.

Congratulations and thank you again for all your work during this process. We are excited to begin working with you on the Attendance and Behaviour Hubs programme and will be in contact soon to commence contract finalisation. In the interim, if you have any queries, please raise them via the Jaggaer portal.

Yours sincerely,
