However, if any such event prevents either Party from performing all of its obligations under the Contract for a period in excess of 1 month, either Party may terminate the Contract by notice in writing with immediate effect.

H7.3 Any failure or delay by the Contractor in performing its obligations under the Contract which results from any failure or delay by an agent, sub-contractor or supplier shall be regarded as due to Force Majeure only if that agent, sub-contractor or supplier is itself impeded by Force Majeure from complying with an obligation to the Contractor.
