Option A:

NHS Arden and GEM CSU purchase a range of IT Hardware for use both internally and for our customer base. In order to secure the most economically advantageous pricing we are looking to appoint a supplier/s under the Crown Commercial Services Framework to support the provision of IT Hardware for the Period 1st April 2024 to 30th June 2024.

Over the last 3 months NHS Arden and GEM CSU has purchased the IT equipment set out below and it is based on this equipment and quantities that the CSU will make the decision on which Supplier/s to appoint.

Please note that NHS Arden and GEM CSU does not and cannot commit to purchasing such quantities over the next 3 months and whilst we do not currently envisage a change of specification, we reserve the right to do so should new specifications become available, or one of our customers request a specific model.

We request that Suppliers base their pricing upon the quantities set out below, but Suppliers must state whether any applicable charges would apply if for example we do not purchase in the quantities set out.
