

Company Name	Health Innovations Ltd				
Company Address	Unit 3 & 3a Enterprise Way Airedale Business Centre Millennium Road Skipton BD23 2TZ				
Company Contact	01756 636615				
Description of Company Activity	Health Innovations (UK) Ltd specialises in the formulation and manufacture of solid dose nutritional supplements.				
Objective of the proposed project (Please explain what is required in the project) (max 250 words)	Health Innovations Ltd wishes to select and appoint a suitable Contractor for the design, supply and installation of the 150kWA Solar Panel PV system and invites suppliers to submit a tender to meet our requirements: <ul style="list-style-type: none"> • Required System Size: 150 kW • Utilisation area - ~400m2 				
Tenders are Invited from suppliers who can provide the necessary skills and expertise to deliver the specification Suppliers will be bidding for a project that is part funded by the European Regional Development Fund as part of the European Structural and Investment Growth Programme 2014-2020.	Please submit prices into four sections as per the following assumptions: <ul style="list-style-type: none"> • Solar Panels, framework and inverters. • Electrical infrastructure work. • Scaffolding, access, skips, etc. • Installation and commissioning. The initial award will be awarded to the highest-scoring provider. Tenders will be scored using the following scoring scheme. <ol style="list-style-type: none"> 1. The most competitive Price 2. Highest energy savings per year 3. Good rate on Return on Investment The project is part-funded by the England European Regional Development Fund as part of the European Structural and Investment Funds Growth Programme 2014-2020 and the Local Growth Fund. With this invitation to tender, we would like to call on interested parties to assist Health Innovations with this assignment				
Required project timescales (start and duration of project?)	Project Start Date:28/02/2022 Duration: 12 weeks				
Total Anticipated Project Value (Please note that the procurement will only go ahead to contract once the funding has been agreed)	£110,000				
Required response date (this must be at least 10 working days from posting of advert)	28/02/2022				
How to apply? Contact SME.	Sanita.Dombrovskas@healthinnovations.uk				
Criteria for decision making (Examples of Assessment Criteria could include:	<table border="1"> <thead> <tr> <th>Criteria</th><th>%</th></tr> </thead> <tbody> <tr> <td> </td><td> </td></tr> </tbody> </table>	Criteria	%		
Criteria	%				

Price Expertise fit Timing Fit Suitability of proposed methodology) Weighting of the criteria to be determined by SME	<table><tr><td>Price</td><td>70</td></tr><tr><td>Energy Savings per year</td><td>20</td></tr><tr><td>Return on Investment</td><td>10</td></tr><tr><td></td><td></td></tr><tr><td></td><td></td></tr><tr><td>Total</td><td>100</td></tr></table>	Price	70	Energy Savings per year	20	Return on Investment	10					Total	100																				
	Price	70																															
	Energy Savings per year	20																															
	Return on Investment	10																															
	Total	100																															
Scoring	<p>Price</p> <p>The lowest priced tender will score full marks and other tender scores will be calculated on the basis of their deviation from the lowest. For every 1% a price is higher than the lowest, 1% of the score will be deducted from that tenderer’s score. The minimum score will be 0. For example:</p> <table><tr><td colspan="4">Lowest gets full marks - all others 1% off the score for every 1% higher than lowest</td></tr><tr><td>Tenderer</td><td>Price</td><td>Score</td><td>% difference</td></tr><tr><td>Tender A</td><td>£50,000</td><td>30</td><td>-</td></tr><tr><td>Tender B</td><td>£58,000</td><td>25</td><td>16</td></tr><tr><td>Tender C</td><td>£75,000</td><td>15</td><td>50</td></tr><tr><td>Tender D</td><td>£82,000</td><td>11</td><td>64</td></tr><tr><td>Tender E</td><td>£100,000</td><td>0</td><td>100</td></tr></table> <p>Quality</p> <p>Quality related criteria will be scored on the basis of the following scale:</p> <table><tr><td>100%</td><td>In respect of each element of the Services identified in the question, the proposals fully explain how the relevant element will be delivered to the standards required, throughout the term. The proposals are clear, precise and robust. The explanation is sufficient to give a high degree of confidence that all of the relevant aspects of the specification will be delivered.</td></tr><tr><td>80%</td><td>In respect of each element of the Services identified in the question, the proposals explain how the relevant element will be delivered to the standards required, throughout the term.</td></tr></table>	Lowest gets full marks - all others 1% off the score for every 1% higher than lowest				Tenderer	Price	Score	% difference	Tender A	£50,000	30	-	Tender B	£58,000	25	16	Tender C	£75,000	15	50	Tender D	£82,000	11	64	Tender E	£100,000	0	100	100%	In respect of each element of the Services identified in the question, the proposals fully explain how the relevant element will be delivered to the standards required, throughout the term. The proposals are clear, precise and robust. The explanation is sufficient to give a high degree of confidence that all of the relevant aspects of the specification will be delivered.	80%	In respect of each element of the Services identified in the question, the proposals explain how the relevant element will be delivered to the standards required, throughout the term.
Lowest gets full marks - all others 1% off the score for every 1% higher than lowest																																	
Tenderer	Price	Score	% difference																														
Tender A	£50,000	30	-																														
Tender B	£58,000	25	16																														
Tender C	£75,000	15	50																														
Tender D	£82,000	11	64																														
Tender E	£100,000	0	100																														
100%	In respect of each element of the Services identified in the question, the proposals fully explain how the relevant element will be delivered to the standards required, throughout the term. The proposals are clear, precise and robust. The explanation is sufficient to give a high degree of confidence that all of the relevant aspects of the specification will be delivered.																																
80%	In respect of each element of the Services identified in the question, the proposals explain how the relevant element will be delivered to the standards required, throughout the term.																																

		<p>The proposals are clear, precise and robust.</p> <p>The explanation is sufficient to give a high degree of confidence that the relevant aspects of the specification will, for the most part, be delivered. To the extent that the explanation is not sufficient to give that high degree of confidence, the explanation does not raise concerns.</p>
	60%	<p>In respect of each element of the Services identified in the question, the proposals explain, to some extent, how the relevant element will be delivered to the standards required, throughout the term.</p> <p>The proposals are clear, but there are some concerns around precision and / or robustness.</p> <p>The explanation is sufficient to give confidence that the relevant aspects of the specification will, for the most part, be delivered. To the extent that the explanation is not sufficient to give that confidence, the explanation raises one or more concerns but no material concerns.</p>
	40%	<p>In respect of each element of the Services identified in the question, the proposals explain, to some extent, how the relevant element will be delivered to the standards required, throughout the term, but for certain elements the explanation is very limited.</p> <p>There are concerns around the clarity, and around the precision and / or robustness, of the proposals.</p> <p>The explanation is sufficient to give confidence that the relevant aspects of the specification will be delivered to some extent. To the extent that the explanation is not sufficient to give that confidence, the explanation raises one or more concerns, one of which is a material concern.</p>
	20%	<p>In respect of one or more elements of the Services identified in the question, the proposals fail to explain to any extent how the relevant element will be delivered to the standards required, throughout the term; and / or the proposals are mainly or wholly unclear; and / or the explanation is insufficient to give confidence that the relevant aspects of the specification will be delivered and / or the explanation for any one or more of the elements raises multiple material concerns.</p>
	0%	<p>No response or response is irrelevant to the question asked.</p>
