Dear Narinder,

Procurement Award – Appointment Internal Auditor Service to Rooftop Housing Group (Ref: RHG_Internal Audit)

Following on from our recent correspondence, I can now confirm that the 10-day mandatory standstill period has expired and the procurement for the above service is now complete. I'm delighted to advise you that Beever and Struthers have now been awarded the contract, subject to signing by both parties.

The anticipated contract start date is 1 April 2024. I will ask Andrew Ledger, Head of Risk and Assurance, to contact you regarding pre-contract discussions.

Yours sincerely

Melissa Bunn
