Dear Mark

## Green Lane Community Path

Thank you for submitting a tender for the above contract. The Parish Council has reviewed the tenders received and I am pleased to say your tender was the most competitive so it has been agreed to proceed with you for the project.

I will need to write to the landowners affected by the work and request a closure order for the path from Bucks County Council. In order to do this I will need to agree a date with you for the work to start. I would be grateful if you could let me have a date as soon as possible so I can make these arrangements.

As you know Robyn Thorogood will be managing the project on behalf of the Parish Council and the Safe Walking and Cycling Group so he will be in touch with you directly.

Yours sincerely

Mrs Sue Gilbert  
Clerk to Haddenham Parish Council
