### Appendix 4: Processing Personal Data

<b>Contract:</b>	<b>WRW Supportive Activities</b>
<b>Date:</b>	<b>16<sup>th</sup> September 2024</b>
<b>Description of authorised processing</b>	<b>Details</b>
Identity of Controller and Processor for each category of Personal Data	Controller: Environment Agency Processor: Water Resources West
Subject matter of the processing	The processing involves investigating and evaluating Local Resource Options (LROs) to enhance water supply resilience for farmers in specified locations across England. Contractor will require names, addresses and abstraction licence data for the group of farmers participating in the study. Agreement of this from the farmers is covered by the application process. Contractor will use farmers commercially sensitive data about water use as part of the study.
Duration of the processing	From June 2024 to March 2025
Nature and purposes of the processing	The processing aims to collect and analyse data on water usage, farming regimens, geology, and water landscapes to identify, screen, and rank LROs, with the goal of improving water supply resilience for farmers.
Type of Personal Data	Names, contact information, water usage data, farm locations, and financial data related to water resources, farming activities and expenses.
Categories of Data Subject	Farmers, farm owners, and farm employees participating in the LRO investigation project.
Plan for return and destruction of the data once the processing is complete UNLESS requirement under law to preserve that type of data	Upon project completion, <ul style="list-style-type: none"> <li>all personal data and data supplied under Environment Agency Conditional Licence will be securely deleted and physical copies shredded within 30 days unless legally required to retain the data.</li> <li>Project data will be securely deleted and physical copies shredded three years after project closure.</li> </ul> To be reviewed prior to contract signing with contractor
Locations at which the Contractor and/or its subcontractors process Personal Data under this Agreement	Primary data processing will occur at the Environment Agency, with contractors processing data at <b>[Contractor's Address]</b> .
Protective Measures that the Contractor and, where applicable, its subcontractors have implemented to protect Personal Data processed under this Agreement against a breach of security (insofar as that breach of security relates to data) or a Personal Data Breach	Data encryption, password protection on files, secure access controls, regular security audits, employee training on data protection, use of secure data storage solutions, and regular backups.
