7.	Start Date	1 st February 2024
8.	Expiry Date	31 st October 2024
9.	Charges	£47,580 (ex. VAT)
10.	Payment	Natural England will raise purchase orders to cover the cost of the services and will issue to the awarded supplier following contract award. The Authority's preference is for all invoices to be sent electronically, quoting a valid Purchase Order number.
		Payment will be made every two months, with a first invoice to cover work completed to end-March 2024, and thereafter at end-May (to cover April & May), and at regular intervals thereafter. Evidence of work completed will be required before payment can be made, including regular catch-up calls with the project officer, or otherwise key deliverables including GIS outputs and draft / final reports. All invoices should be dated no later than 31st October 2024.
		It is anticipated that this contract will be awarded for a period of 37 weeks (~ 8.5 months) to end no later than 31st October 2024. Prices will remain fixed for the duration of the contract award period. We may at our sole discretion extend this contract to include related or further work. Any extension shall be agreed in writing in advance of any work commencing and may be subject to further competition.

Appendix 4: Processing Personal Data

Contract: Date:	North Thames Estuary & Marshes – Breeding Bird Survey 2024 4 th June 2024
Description of authorised processing	The project involves the sharing of a limited amount of personal data for the purpose of the contractor to contact landowners / occupiers / other land agents to undertake ecological survey work.
Identity of Controller and Processor for each category of Personal Data	Natural England is the Controller. Redacted under FOIA Section 43 Personal Information
Subject matter of the processing	See below.
Duration of the processing	Duration of contract, approximately 9 months.
Nature and purposes of the processing	Provision of landowner contact information for survey access purposes.
Type of Personal Data	Names, postal addresses, email addresses, telephone numbers and other contact details.
Categories of Data Subject	Landowner, occupier, land agent, other representative of landowner (such as family member).
Plan for return and destruction of the data once the processing is complete UNLESS requirement under law to preserve that type of data	Personal data must be deleted from the Processor's systems and files, and an email sent to the Controller to confirm this has taken place. Any new personal data gathered incidentally whilst undertaking the contract also needs to be sent to the Controller before being deleted at the end of the contract.
Locations at which the Contractor and/or its subcontractors process Personal Data under this Agreement	The Contractor stores data on business IT equipment, within a project e- filing structure. Apple cloud storage is used.
Protective Measures that the Contractor and, where applicable, its subcontractors have implemented to protect Personal Data processed under this Agreement against a breach of security (insofar as that breach of security relates to data) or a Personal Data Breach	The Contractor's business IT equipment is kept safely within the home office environment. It is all password protected. The home office has a regular staff presence, and is rarely left unattended during office hours. The home office is kept secure. Should there be a breach of data security (such as theft of laptop etc.), the Processor (David Darrell-Lambert) needs to notify the Controller (Natural England) within 48 hours of realising that the breach has taken place. Natural England will take any further steps required.
