TERMS AND CONDITIONS

1. Terms & Charges. (a) The Schedule Term begins on the first day Services are provided hereunder and shall end two years thereafter. Each Schedule Term automatically renews for successive two-year periods unless SR or SP elects not to renew by giving not less than 60 days' prior written notice to the other, and, in the case of non-renewal of Network Access and/or routers by SR, SR executing SP's then-current termination form(s). Charges payable during renewal periods will be at SP's prevailing rates as notified by SP to SR in advance, and this Schedule shall be deemed amended accordingly. This Bloomberg Schedule of Services (this "Schedule") shall automatically terminate upon termination of the Agreement. The fees set forth above commence the day of actual installation and shall be invoiced quarterly in advance. All amounts displayed on this Schedule are in U.S. dollars. All installations, upgrades, removals, relocations, conversions, equipment modifications and other changes related to the Services will automatically be charged at SP's prevailing rates, and SR will be invoiced accordingly.

(b) As part of the Services, SR may request the provision of (i) Network Access and/or (ii) routers. If Network Access and/or routers are provided to SR, the charges for such Network Access and/or routers are not guaranteed for the Schedule Term. Increases and/or discounts to such charges may be made on 90 days' prior written notice, and customer relocations may result in immediate price adjustments for such Network Access and/or routers. SR may terminate circuits or routers upon 90 days prior written notice to SP following SR's execution of SP's then-current termination form(s), provided that, for circuits, SR has maintained the circuit for at least 12 months after the installation of the circuit and has installed a replacement approved by SP. SR may use Network Access and/or routers only in connection with use of the Services and/or Additional Services described in the applicable Agreement or, at Bloomberg's sole discretion, in connection with any other services provided by SP or its affiliates to SR pursuant to any other agreement between SR and SP or its affiliates. SR may relocate routers upon 90 days' prior written notice to SP to a location approved by SP in advance. SP or any person designated by SP has authorization to disconnect SR's old circuits and facilities. Any extraneous wiring charges are not covered by SP.

(c) Upon termination of this Schedule or any portion of the Services provided under this Schedule at any time for any reason, SR shall pay any waived installation fees, early termination charges and any other fees imposed on SP by the provider of any Network Access. Circuit installation or upgrades do not affect the term of the Agreement.

2. Shared Network; Multiple Services. If this Schedule provides, or may from time to time provide, for a fee for Services calculated on the basis of a shared local network at the same physical location or multiple Services, then at such time as the network is no longer
