- 7.2 The Supplier represents and warrants that:
- 7.2.1 it is validly incorporated, organised and subsisting in accordance with the Laws of its place of incorporation;

- 7.2.6 as at the Framework Commencement Date, it has notified the Authority in writing of any Occasions of Tax Non-Compliance or any litigation that it is involved in connection with any Occasions of Tax Non Compliance;

shall not unreasonably withhold its agreement to any changes to the Supplier Action Plan. Any such changes shall, unless the Authority otherwise Approves, be agreed between the Parties and come into effect within two weeks from receipt by the Supplier of the Authority's notification.

FRAMEWORK SCHEDULE 9: MANAGEMENT INFORMATION

1. INTRODUCTION

- 1.1 This Schedule 9 specifies the format and process to be undertaken in the provision of Management and Performance Information by the Supplier to the Authority.

2. PROVISION OF INFORMATION

- 2.1 The Supplier shall provide Management and Performance Information reports electronically to the Authority at <https://miso.ccs.cabinetoffice.gov.uk>

- 5.5 It is anticipated that most of the data required will be derived from information held within the CAFM system.
- 5.6 Where data cannot be provided directly via the CAFM system, or where a manual input is required to the system, full details will be provided by the Contracting Body at the time of Call Off.
- 5.7 Where additional data is required by the Contracting Body the additional data requirements will be specified by the Contracting Body at the time of the Call Off.

- 5.8 Due to the nature and complexity of the data required, it is expected that all data relating to all Planned and / or Reactive works tasks will be provided via a direct export from the CAFM in the required format, to satisfy the requirements of this Framework Schedule 9. Therefore, Suppliers are required to ensure through the Mobilisation Period that the CAFM system they use is set up to deliver the full Management and Performance Information requirement of this Framework Schedule 9 from the Call Off Service Commencement Date.
- 5.9 Whilst the CAFM utilised by the Supplier must have the capabilities detailed in Schedule 2 Services and Key Performance Indicators, Part A, Annex 1, the Supplier shall also supply such Performance Information as may be required by a Contracting Body in accordance with the terms of a Call Off Contract and in the format required by that Call Off Contract.

- 5.14 The Contracting Body will provide any specific building related information required to set up the CAFM, such that it is possible to provide the Management and Performance Information required in the correct format. All such information shall form part of the Affected Property Data Pack provided during the Call Off ITT stage.

6. MANAGEMENT AND PERFORMANCE INFORMATION AND FORMAT

- 6.1 The Supplier agrees to provide timely, full, accurate and complete Management and Performance Information Reports to the Authority which incorporates the data, in the correct format, required by the Management Information Reporting Template. The initial Management and Performance Information Reporting Template is embedded at the end of this Framework Schedule 9.
- 6.2 The Authority may from time to time make changes to the Management and Performance Information Reporting Template including to the data required or format of the report and issue a replacement version of the Management and Performance Information Reporting Template to the Supplier. The Authority shall give notice in writing of any such change to the Management and Performance Information Reporting Template and shall specify the date from which the replacement Management and Performance Information

Reporting Template must be used for future Management and Performance Information Reports which date shall be at least thirty (30) calendar days following the date of the notice.

- 6.3 If the Management and Performance Information Reporting Template is amended by the Authority at any time, then the Supplier agrees to provide all future Management and Performance Information Reports in accordance with the most recent Management and Performance Information Reporting Template issued by the Authority.
- 6.4 The Authority may provide the Supplier with supplemental guidance for completing the Management and Performance Information Reporting Template or submitting Management and Performance Information Reports from time to time which may for example indicate which fields are mandatory and which are optional. The Supplier agrees to complete the Monthly Management and Performance Information Report in accordance with any such guidance.
- 6.5 The Supplier may not make any amendment to the current Management and Performance Information Reporting Template without the prior Approval of the Authority.
- 6.6 The Authority shall have the right from time to time (on reasonable written notice) to amend the nature of the Management and Performance Information which the Supplier is required to supply to the Authority.

7. FREQUENCY AND COVERAGE

- 7.1 All Management and Performance Information Reports must be completed by the Supplier using the Management and Performance Information Reporting Template and returned to the Authority on or prior to the Reporting Date every Month during the Framework Period and thereafter, until all transactions relating to Call Off Contracts have permanently ceased.
- 7.2 The Management and Performance Information Report should be used (among other things) to report transactions occurring during the Month to which the Management and Performance Information Report relates, regardless of when the work was actually completed. For example, if an invoice is raised for October but the work was actually completed in September, the Supplier must report the invoice in October's Management and Performance Information Report and not September's.
- 7.3 The Supplier must return the Management and Performance Information Report for each Month even where there are no transactions to report in the relevant Month (a "Nil Return").
- 7.4 The Supplier must inform the Authority of any errors or corrections to the Management and Performance Information:
 - 7.4.1 in the next Management and Performance Report due immediately following discovery of the error by the Supplier; or

- 8.2 The Authority reserves the right (acting reasonably) to specify that the Management and Performance Information Report be submitted by the Supplier using an alternative communication to that specified in paragraph 8.1 above such as email. The Supplier agrees to comply with any such instructions provided they do not materially increase the burden on the Supplier.

9. DEFECTIVE MANAGEMENT AND PERFORMANCE INFORMATION

- 9.1 The Supplier acknowledges that it is essential that the Authority receives timely and accurate Management and Performance Information pursuant to this Framework Agreement because Management and Performance Information is used by the Authority to inform strategic decision making and allows it to calculate the Management Charge and measure the Supplier's performance against KPIs as defined in Schedule 12 of the Template Call Off Terms – Key Performance Indicators.
- 9.2 Following an MI Failure the Authority may issue reminders to the Supplier or require the Supplier to rectify defects in the Management and Performance Information Report provided to the Authority. The Supplier shall rectify any deficient or incomplete Management and Performance Information Report as soon as possible and not more than five (5) Working Days following receipt of any such reminder.

Meetings

- 9.3 The Supplier agrees to attend meetings between the Parties in person to discuss the circumstances of any MI Failure(s) at the request of the Authority (without prejudice to any other rights the Authority may have). If the Authority requests such a meeting the Supplier shall propose measures to ensure that the MI Failures are rectified and do not occur in the future. The Parties shall document these measures and continue to monitor the Supplier's performance.

Admin Fees

- 9.4 If, in any rolling three (3) Month period, two (2) or more MI Failure occur, the Supplier acknowledges and agrees that the Authority shall have the right to invoice the Supplier Admin Fees and (subject to paragraph 9.5) in respect of any MI Failures as they arise in subsequent Months.
- 9.5 If, following activation of the Authority's right to charge Admin Fees in respect of Management and Performance Failures pursuant to paragraph 9.4, the Supplier submits the Monthly Management and Performance Information Report for two (2) consecutive Months and no MI Failure occurs then the right to charge the Admin Fees shall lapse. For the avoidance of doubt the Authority shall not be prevented from exercising such right again during the Framework Period if the conditions in paragraph 9.4 are met.
- 9.6 The Supplier acknowledges and agrees that the Admin Fees are a fair reflection of the additional costs incurred by the Authority as a result of the Supplier failing to supply Management and Performance Information as required by this Framework Agreement.

9.7 The Authority shall notify the Supplier if any Admin Fees arise pursuant to paragraph 9.4 above and shall be entitled to invoice the Supplier for such Admin Fees which shall be payable in accordance with Clause 18 (Management Charge) as a supplement to the Management Charge. Any exercise by the Authority of its rights under this paragraph 9.7 shall be without prejudice to any other rights that may arise pursuant to the terms of this Framework Agreement

10. DEFAULT MANAGEMENT CHARGE

10.1 If:

10.1.1 Two (2) MI Failures occur in any rolling six (6) Month period; or

10.1.2 Two (2) consecutive MI Failures occur;

then a "Management and Performance Information Default" shall be deemed to have occurred.

10.2 If an MI Default occurs the Authority shall (without prejudice to any other rights or remedies available to it under this Framework Agreement) be entitled to determine the level of Management Charge in accordance with paragraph 10.3 which the Supplier shall be required to pay to the Authority ("Default Management Charge") and/or to terminate this Framework Agreement.

10.3 The Default Management Charge shall be calculated as the higher of:

10.3.1 the average Management Charge paid or payable by the Supplier to the Authority based on any Management and Performance Information submitted in the six (6) Month period preceding the date on which the Management and Performance Information Default occurred or, if the Management and Performance Information Default occurred within less than six (6) Months from the commencement date of the first Call Off Contract, in the whole period preceding the date on which the Management and Performance Information Default occurred; or

10.3.2 the sum of five hundred pounds (£500).

10.4 If an Management and Performance Information Default occurs, the Authority shall be entitled to invoice the Supplier the Default Management Charge (less any Management Charge which the Supplier has already paid to the Authority in accordance with Clause 18 for any Months in which the Default Management Charge is payable) calculated in accordance with paragraph 10.3 above:

10.4.1 in arrears for those Months in which an MI Failure occurred; and

10.4.2 on an on-going Monthly basis, until all and any MI Failures have been rectified to the reasonable satisfaction of the Authority.

10.5 For the avoidance of doubt the Parties agree that:

10.5.1 the Default Management Charge shall be payable as though it was the Management Charge due in accordance with the provisions of Clause 19 of this Framework Agreement; and

10.5.2 any rights or remedies available to Authority under this Framework Agreement in respect of the payment of the Management Charge

shall be available to the Authority also in respect of the payment of the Default Management Charge.

- 10.6 If the Supplier provides sufficient Management and Performance Information to rectify any MI Failure to the satisfaction of the Authority and the Management and Performance Information demonstrates that:
 - 10.6.1 the Supplier has overpaid the Management Charges as a result of the application of the Default Management Charge then the Supplier shall be entitled to a refund of the overpayment, net of any Admin Fees where applicable; or
 - 10.6.2 the Supplier has underpaid the Management Charges during the period when a Default Management Charge was applied, then the Authority shall be entitled to immediate payment of the balance as a debt together with interest pursuant to Clause 18 (Management Charge).

The Supplier shall then submit a revised Proposal to the Contracting Body and the Authority.
- 5.3 The Contracting Body shall assess the Proposal in conjunction with the Authority and shall, in writing within one (1) Month (or such other time as agreed between the Parties), either accept it in principle, reject it or offer recommendations or refinements in order for the Supplier to submit a revised Proposal.

- 5.5 Once the Gainshare Implementation Plan has been agreed between the Parties, the Supplier shall implement the Proposal in accordance with the plan and the Supplier and the Contracting Body shall comply with any obligations they have assumed, including adjustments to the prices paid and obligations to make payments. FRAMEWORK SCHEDULE 13: GUARANTEE
DEED OF GUARANTEE

FRAMEWORK SCHEDULE 14: INSURANCE REQUIREMENTS

1. OBLIGATION TO MAINTAIN INSURANCES

- 1.1 Without prejudice to its obligations to the Authority under this Framework Agreement, including its indemnity obligations, the Supplier shall for the duration of this Framework Agreement and any Call Off Contract made hereunder take out and maintain, or procure the taking out and maintenance of the insurances as set out in Annex 1 (Required Insurances) and any other insurances as may be required by applicable Law (together the “**Insurances**”). The insurance levels set out in this Schedule 14 are the minimum required for a place on this Framework but it is open to the Customer on any individual Further Competition to set higher levels of insurance appropriate to the size and value of that proposed Call Off Contract. The Supplier shall ensure that each of the Insurances is effective no later than the Framework Commencement Date.
- 1.2 The Insurances shall be maintained in accordance with Good Industry Practice and (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time.
- 1.3 The Insurances shall be taken out and maintained with insurers who are of good financial standing and of good repute in the international insurance market.
- 1.4 The Supplier shall ensure that the public and products liability policy shall contain an indemnity to principals clause under which the Authority shall be indemnified in respect of claims made against the Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Services and for which the Supplier is legally liable.

2. GENERAL OBLIGATIONS

- 2.1 Without limiting the other provisions of this Framework Agreement, the Supplier shall:
 - 2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to the Services as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;
 - 2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and
 - 2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

3. FAILURE TO INSURE

- 3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which

would entitle any insurer to refuse to pay any claim under any of the Insurances.

- 3.2 Where the Supplier has failed to purchase any of the Insurances or maintain any of the Insurances in full force and effect, the Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances, and the Authority shall be entitled to recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

4. EVIDENCE OF POLICIES

- 4.1 The Supplier shall upon the Framework Commencement Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Authority, that the Insurances are in force and effect and meet in full the requirements of this Framework Schedule 14. Receipt of such evidence by the Authority shall not in itself constitute acceptance by the Authority or relieve the Supplier of any of its liabilities and obligations under this Agreement.

5. AGGREGATE LIMIT OF INDEMNITY

- 5.1 Where the minimum limit of indemnity required in relation to any of the Insurances is specified as being "in the aggregate":

5.1.1 if a claim or claims which do not relate to this Framework Agreement are notified to the insurers which, given the nature of the allegations and/or the quantum claimed by the third party(ies), is likely to result in a claim or claims being paid by the insurers which could reduce the level of cover available below that minimum, the Supplier shall immediately submit to the Authority:

- (a) details of the policy concerned; and
- (b) its proposed solution for maintaining the minimum limit of indemnity specified; and

5.1.2 if and to the extent that the level of insurance cover available falls below that minimum because a claim or claims which do not relate to this Framework Agreement are paid by insurers, the Supplier shall:

- (a) ensure that the insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified for claims relating to this Framework Agreement; or
- (b) if the Supplier is or has reason to believe that it will be unable to ensure that insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified, immediately submit to the Authority full details of the policy concerned and its proposed solution for maintaining the minimum limit of indemnity specified.

6. CANCELLATION

- 6.1 The Supplier shall notify the Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or non-renewal of any of the Insurances.

7. INSURANCE CLAIMS

- 7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Services and/or this Framework Agreement for which it may be entitled to claim under any of the Insurances. In the event that the Authority receives a claim relating to or arising out of the Services or this Framework Agreement, the Supplier shall co-operate with the Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.
- 7.2 Except where the Authority is the claimant party, the Supplier shall give the Authority notice within twenty (20) Working Days after any insurance claim in excess of £1,000,000 relating to or arising out of the provision of the Services or this Framework Agreement on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Authority) full details of the incident giving rise to the claim.
- 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Framework Agreement or otherwise.

8. GENERAL

- 8.1 The Supplier shall meet its insurance obligations under applicable Law in full, including, UK employers' liability insurance and motor third party liability insurance.

ANNEX 1: REQUIRED INSURANCES

- 2.3 Unless agreed otherwise in writing, the Parties shall continue to comply with their respective obligations under this Framework Agreement regardless of the nature of the Dispute and notwithstanding the referral of the Dispute to the Dispute Resolution Procedure set out in this Framework Schedule 18.
- 2.4 Subject to paragraph 3.2, the Parties shall seek to resolve Disputes:
 - 2.4.1 first by commercial negotiation (as prescribed in paragraph 3);
 - 2.4.2 then by mediation (as prescribed in paragraph 4); and
 - 2.4.3 lastly by recourse to arbitration (as prescribed in paragraph 6) or litigation (in accordance with Clause 47 (*Governing Law and Jurisdiction*)).

If the Parties are unable to reach agreement on whether to use the Expedited Dispute Timetable within five (5) Working Days of the issue of the Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Authority.

3. COMMERCIAL NEGOTIATIONS

- 3.1 Following the service of a Dispute Notice, the Authority and the Supplier shall use reasonable endeavours to resolve the Dispute as soon as possible, by discussion between the Authority's representative and the Supplier's representative, such discussions being commercial negotiations.

3.2 If:

- 3.2.1 either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiations, will not result in an appropriate solution; or

- 3.2.2 the Parties have already held discussions of a nature and intent (or otherwise were conducted in the spirit) that would equate to the conduct of commercial negotiations in accordance with this paragraph 3; or

- 3.2.3 the Parties have not settled the Dispute in accordance with paragraph 3.1 within thirty (30) Working Days of service of the Dispute Notice,

either Party may serve a written notice to proceed to mediation (a "**Mediation Notice**") in accordance with paragraph 4.

- 4.2 If the Parties are unable to agree on the joint appointment of a Mediator within thirty (30) Working Days from service of the Mediation Notice then either Party may apply to CEDR to nominate the Mediator.

- 4.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if the Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.

- 4.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the procedure for variations under Clause 16.1 (Variation Procedure) where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

5. EXPERT DETERMINATION

- 5.1 If a Dispute relates to any aspect of the technology underlying the provision of the Services or otherwise relates to an ICT technical, financial technical or other aspect of a technical nature (as the Parties may agree) and the Dispute has not been resolved by discussion or mediation, then either Party may request (which request will not be unreasonably withheld or delayed) by written notice to the other that the Dispute is referred to an Expert for determination.
- 5.2 The Expert shall be appointed by agreement in writing between the Parties, but in the event of a failure to agree within ten (10) Working Days, or if the person appointed is unable or unwilling to act, the Expert shall be appointed on the instructions of the President of the British Computer Society (or any other association that has replaced the British Computer Society).
- 5.3 The Expert shall act on the following basis:

6. ARBITRATION

- 6.1 The Authority may at any time before court proceedings are commenced refer the Dispute to arbitration in accordance with the provisions of paragraph 6.4.
- 6.2 Before the Supplier commences court proceedings or arbitration, it shall serve written notice on the Authority of its intentions and the Authority shall have fifteen (15) Working Days following receipt of such notice to serve a reply (a "Counter Notice") on the Supplier requiring the Dispute to be referred to and resolved by arbitration in accordance with paragraph 6.4 or be subject to the jurisdiction of the courts in accordance with Clause 47 (Governing Law and Jurisdiction). The Supplier shall not commence any court proceedings or arbitration until the expiry of such fifteen (15) Working Day period.
- 6.3 If:

- 6.3.1 the Counter Notice requires the Dispute to be referred to arbitration, the provisions of paragraph 6.4 shall apply;

 - 6.3.3 the Authority does not serve a Counter Notice within the fifteen (15) Working Day period referred to in paragraph 6.2, the Supplier may either commence arbitration proceedings in accordance with paragraph 6.4 or commence court proceedings in the courts in accordance with Clause 47 (Governing Law and Jurisdiction) which shall (in those circumstances) have exclusive jurisdiction.
- 6.4 In the event that any arbitration proceedings are commenced pursuant to paragraphs 6.1 to 6.3, the Parties hereby confirm that:
- 6.4.1 all disputes, issues or claims arising out of or in connection with this Framework Agreement (including as to its existence, validity or performance) shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration ("LCIA") (subject to paragraphs 6.4.5, 6.4.6 and 6.4.7);
 - 6.4.2 the arbitration shall be administered by the LCIA;
 - 6.4.3 the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Framework Agreement and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
 - 6.4.4 if the Parties fail to agree the appointment of the arbitrator within ten (10) days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
 - 6.4.5 the chair of the arbitral tribunal shall be British;
