U8.10 The Authority will fill any Additional Tier Place(s) under Tier 1 of a Regional Lot by allocating them to any CAEHRS Provider(s) on Tier 2 of the same Regional Lot that meet both of the following criteria:

- (a) the CAEHRS Provider(s) has the Contractor Financial Capacity for Tier 1 of that Regional Lot; and
- (b) the Tender(s) of the CAEHRS Provider(s) for Tier 2 received the highest overall score(s) for qualitative evaluation as compared to the other CAEHRS Provider(s) on Tier 2 of that Regional Lot that meet the requirement in Clause U8.10(a).

U8.11 If, after the Authority has taken the step outlined in Clause U8.10, there are at least two further Additional Tier Places under Tier 1 of a Regional Lot for the Authority to fill, then the Authority will run an open procurement competition for those Additional Tier Places.

3 EXPEDITED DISPUTE TIMETABLE

- 3.1 In exceptional circumstances where the use of the times in this Schedule would be unreasonable, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use the Expedited Dispute Timetable within five (5) Working Days of the issue of a Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Authority.
- 3.2 If the Expedited Dispute Timetable is to be used pursuant to the provisions of paragraph 3.1 or is otherwise specified under the provisions of this CAEHRS, then the following periods of time shall apply in lieu of the time periods specified in the applicable paragraphs:

If the Parties fail to agree within two (2) Working Days after the deadline has passed, the Authority may set a revised deadline provided that it is no less than five (5) Working Days before the end of the period of time specified in the applicable paragraphs (or two (2) Working Days in the case of paragraph 6.2). Any agreed extension shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Authority fails to set such a revised deadline, then the use of the Expedited Dispute Timetable shall cease and the normal time periods shall apply from that point onwards.

4 COMMERCIAL NEGOTIATION

4.1 Following the service of a Dispute Notice, then, so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, the Authority and the Contractor shall make reasonable endeavours to resolve the Dispute as soon as possible by commercial negotiation between a person nominated in writing by the Authority by notice to the Contractor and a person nominated in writing by the Contractor by notice to the Authority.

4.2 If either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiation, will not result in an appropriate solution:

- (a) the Parties have already held discussions of a nature and intent (or otherwise were conducted in the spirit) that would equate to the conduct of commercial negotiation in accordance with this paragraph 4; or
- (b) the Parties have not settled the Dispute in accordance with paragraph 4.1 within thirty (30) Working Days of service of the Dispute Notice,

either Party may serve a written notice to proceed to mediation in accordance with paragraph 5 (a **"Mediation Notice"**).

5.2 If the Parties are unable to agree on the joint appointment of an independent person to mediate the Dispute within twenty (20) Working Days from (and including) the service of a Mediation Notice then either Party may apply to CEDR to nominate such a person.

5.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if both Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.

5.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the

CAEHRS Variation Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

6 EXPERT DETERMINATION

- 6.1 If a Dispute relates to any aspect of the technology underlying the provision of the Services or otherwise relates to a technical matter of an IT, accounting or financing nature and the Dispute has not been resolved by commercial negotiation in accordance with paragraph 4 or, if applicable, mediation in accordance with paragraph 5, then either Party may by written notice to the other request (agreement to which request shall not be unreasonably withheld or delayed) that the Dispute be referred to an expert for determination.
- 6.2 The expert shall be appointed by agreement in writing between the Parties, but in the event of a failure to agree within ten (10) Working Days of the relevant request made pursuant to paragraph 6.1, or if the person appointed is unable or unwilling to act, the expert shall be appointed:

- 6.3 The Expert shall act on the following basis:

 - (b) the Expert's determination shall (in the absence of a material failure to follow the agreed procedures) be final and binding on the Parties;
 - (c) the Expert shall decide the procedure to be followed in the determination and shall be requested to make his/her determination within thirty (30) Working Days of his appointment or as soon as reasonably practicable thereafter and the Parties shall assist and provide the documentation that the Expert requires for the purpose of the determination;
 - (d) any amount payable by one Party to another as a result of the Expert's determination shall be due and payable within twenty (20) Working Days of the Expert's determination being notified to the Parties;
 - (e) the process shall be conducted in private and shall be confidential; and

The Contractor shall not commence any court proceedings or arbitration until the expiry of such fifteen (15) Working Day period.
- 7.3 If the Authority serves a Counter Notice, then:
- (a) if the Counter Notice requires the Dispute to be referred to arbitration, the provisions of paragraph 7.5 shall apply; or
 - (b) if the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts of England and Wales, the Dispute shall be so referred to those courts and the Contractor shall not commence arbitration proceedings.
- 7.4 If the Authority does not serve a Counter Notice within the fifteen (15) Working Day period referred to in paragraph 7.2, the Contractor may either commence arbitration proceedings in accordance with paragraph 7.5 or commence court proceedings in the Courts of England and Wales which shall (in those circumstances) have exclusive jurisdiction.
- 7.5 The Parties hereby confirm that if any arbitration proceedings are commenced pursuant to paragraphs 7.1 to 7.4:
- (a) the Dispute shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration (“**LCIA**”) (subject to paragraphs 7.5(e), (f) and (g));
 - (b) the arbitration shall be administered by the LCIA;
 - (c) the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this CAEHS and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
 - (d) if the Parties fail to agree the appointment of the arbitrator within ten (10) Working Days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
 - (e) the chair of the arbitral tribunal shall be British;
 - (f) the arbitration proceedings shall take place in London and in the English language; and
 - (g) the seat of the arbitration shall be London.

- (a) for interim or interlocutory remedies in relation to this CAEHRS or infringement by the other Party of that Party's Intellectual Property Rights; and/or
- (b) where compliance with paragraph 2.1 and/or referring the Dispute to mediation may leave insufficient time for that Party to commence proceedings before the expiry of the limitation period.

9 MULTI-PARTY DISPUTES

- 9.1 All Multi-Party Disputes shall be resolved in accordance with the procedure set out in this paragraph 9 (the "**Multi-Party Dispute Resolution Procedure**").
- 9.2 If at any time following the issue of a Dispute Notice, the Authority reasonably considers that the matters giving rise to the Dispute involve one or more Related Third Parties, then the Authority shall be entitled to determine that the Dispute is a Multi-Party Dispute and to serve a notice on the Contractor which sets out the Authority's determination that the Dispute is a Multi-Party Dispute and specifies the Related Third Parties which are to be involved in the Multi-Party Dispute Resolution Procedure, such notice a "**Multi-Party Procedure Initiation Notice**".
- 9.3 If following the issue of a Dispute Notice but before the Dispute has been referred to Expert Determination or to arbitration in accordance with paragraph 7, the Contractor has reasonable grounds to believe that the matters giving rise to the Dispute have been contributed to by one or more Related Third Parties, the Contractor may serve a Contractor Request on the Authority.
- 9.4 The Authority shall (acting reasonably) consider each Contractor Request and shall determine within five (5) Working Days whether the Dispute is:
 - (a) a Multi-Party Dispute, in which case the Authority shall serve a Multi-Party Procedure Initiation Notice on the Contractor; or
 - (b) not a Multi-Party Dispute, in which case the Authority shall serve written notice of such determination upon the Contractor and the Dispute shall be treated in accordance with paragraphs 3 to 8.
- 9.5 If the Authority has determined, following a Contractor Request, that a Dispute is not a Multi-Party Dispute, the Contractor may not serve another Contractor Request with reference to the same Dispute.
- 9.6 Following service of a Multi-Party Procedure Initiation Notice a Multi-Party Dispute shall be dealt with by a board (in relation to such Multi-Party Dispute, the "**Multi-Party Dispute Resolution Board**") comprising representatives from the following parties to the Multi-Party Dispute, at least one of whom from each of the parties shall be of a suitable level of seniority and have full authority to finalise any agreement with the other parties to settle the Multi-Party Dispute:

 - (c) each Related Third Party involved in the Multi-Party Dispute; and
 - (d) any other representatives of any of the Parties and/or any Related Third Parties whom the Authority considers necessary,
 (together "**Multi-Party Dispute Representatives**").

- 9.7 The Parties agree that the Multi-Party Dispute Resolution Board shall seek to resolve the relevant Multi-Party Dispute in accordance with the following principles and procedures:
- (a) the Parties shall procure that their Multi-Party Dispute Representatives attend, and shall use their best endeavours to procure that the Multi-Party Dispute Representatives of each Related Third Party attend, all meetings of the Multi-Party Dispute Resolution Board in respect of the Multi-Party Dispute;
 - (b) the Multi-Party Dispute Resolution Board shall first meet within ten (10) Working Days of service of the relevant Multi-Party Procedure Initiation Notice at such time and place as the Parties may agree or, if the Parties do not reach agreement on the time and place within five (5) Working Days of service of the relevant Multi-Party Procedure Initiation Notice, at the time and place specified by the Authority, provided such place is at a neutral location within England and that the meeting is to take place between 9.00 a.m. and 5.00 p.m. on a Working Day; and
 - (c) in seeking to resolve or settle any Multi-Party Dispute, the members of the Multi-Party Dispute Resolution Board shall have regard to the principle that a Multi-Party Dispute should be determined based on the contractual rights and obligations between the Parties and the Related Third Parties and that any apportionment of costs should reflect the separate components of the Multi-Party Dispute.
- 9.8 If a Multi-Party Dispute is not resolved between the Parties and all Related Third Parties within twenty-five (25) Working Days of the issue of the Multi-Party Procedure Initiation Notice (or such longer period as the Parties may agree in writing), then:
- (a) either Party may serve a Mediation Notice in respect of the Multi-Party Dispute in which case paragraph 5 shall apply;
 - (b) either Party may request that the Multi-Party Dispute is referred to an expert in which case paragraph 6 shall apply; and/or

- 9.9 If a Multi-Party Dispute is referred to arbitration in accordance with paragraph 7 or a Dispute becomes a Multi-Party Dispute during the course of arbitration proceedings and either Party is unable to compel a Related Third Party to submit to such arbitration proceedings, the Authority or the Contractor may discontinue such arbitration proceedings and instead initiate court proceedings. The costs of any such discontinued arbitration proceedings shall be borne by the Party which is in a direct contractual relationship with the Related Third Party or, where the Related Third Party is a Sub-contractor, by the Contractor.

The Authority supports constructive and collaborative partnership working and expects Contractors to invest in the relationship between the Authority and the Contractors.
- 2 The Authority expects the Contractor to adhere to, and the Authority reserves the right to monitor, the following:

RELATIONSHIP MANAGEMENT / ETHICAL BEHAVIOUR

- 3 Contractors must act openly, honestly and with integrity in delivering services, working with the Authority, its customers and stakeholders and when claiming payment for services. Contractors must maintain accurate systems and complete records of business transactions with appropriate and proportionate controls and control environments that maintain the integrity of the information and data and protect it from potential abuse, falsification or error.
- 4 Contractors must not force unfair contract terms on their Sub-contractors, nor allow unfair exploitation of a dominant market or customer position.
- 5 Contractors must act at all times with respect and integrity, use open and transparent accounting, and work within the spirit of the contract as well as within the contractual terms. Where there is a conflict between the spirit and contract terms Contractors must bring this to the attention of the Authority.
- 6 Contractors must ensure that risk is managed by the party best able to do so and be prepared to share with the Authority intelligence of Sub-contractor risks, so that end to end risks can be managed and that material commercial and operational risks, for example Sub-contractor failure, can be managed and mitigated.

TREAT EMPLOYEES AND SUB-CONTRACTORS FAIRLY

- 7 Contractors and their Sub-contractors must ensure that robust procedures are adopted and maintained to ensure the protection of human rights at all times. Contractors must ensure the elimination of unethical and illegal employment practices, such as modern slavery, forced labour and child labour, and other forms of exploitative and unethical treatment of workers and service users. Contractors and their Sub-contractors are encouraged to pay employees (and seek employment opportunities for customers at or above) the National Living Wage.
- 8 Contractors and their Sub-contractors must have policies and processes in place for recording and eliminating the occurrence of health and safety related incidents.
- 9 The Authority requires full Sub-contractor transparency and compliance with HM Government policy initiatives including the support and capacity building of micro-organisations, small and medium sized organisations, prompt payment, and support for economic growth.
- 10 Contractors must engage their Sub-contractors in a manner consistent with the Authority's treatment of its direct Contractors. This includes, but is not limited to, appropriate pricing, volume management, service fee flow, charging for central and corporate services, fiduciary and financial risk management, and applying transparent and appropriate contractual measures where the Sub-contractor underperforms against its contracts and the spirit of those contracts.
- 11 The Authority will not tolerate bribery, corruption or fraud in any form and Contractors must conduct their business honestly, fairly and free from such behaviours. - 13 Value for Money ("VfM") and financial transparency are essential requirements to the Authority's commissioned work. All Contractors and their Sub-contractors must seek to maximise value including by improving performance and quality of services throughout the life of the contract / relationship.
- 14 Contractors must demonstrate that they are pursuing continuous improvement throughout the contract and Sub-contracts, and apply stringent and robust financial controls, management and governance to reduce waste and improve efficiency in their internal operations and within the Sub-contracts. The Authority expects Contractors and their Sub-contractors to demonstrate openness and honesty and be realistic about their performance, in all circumstances.
- 15 The Authority expects to obtain value for money and to be able to demonstrate long-term value for money to the UK taxpayer. This means that contracts should be priced to offer sustainable value throughout their life, including when changes are made to the contract.
- 16 The Authority's minimum expectation is that contracts are delivered to meet targets and that Contractors will continually improve value and quality through continuous improvement, improved performance and improved quality.

- 17 The Authority does not expect Contractors to exploit an incumbent, monopoly position, Sub-contractor(s), urgent situation(s), or an imbalance of capability or information to impose opportunistic pricing.

- 19 The Authority expects Contractors to seek opportunities to improve value and social value in contracts and to share best practice with the Authority and other authorities / Contractors.

- 22 The Authority requires Contractors to mitigate against any real or perceived conflict of interest through their work with HM Government. A Contractor with a position of influence gained through a contract must not use that position to disadvantage any other Contractor or reduce the potential for future competition, for example by creating a technical solution that locks in the Contractor's own goods or services.
- 23 The Contractor and their Sub-contractors must conduct business in compliance with competition (anti-trust) laws and must not seek to co-ordinate the market with other Contractors or their Sub-contractors in a way that restricts competition.
