Our social value priorities

Social value is not just what the contract delivers but the legacy or footprint of the contract. The supplier should be going above and beyond the specified requirements to create added social value through the contract. How these priorities are delivered will be included in Schedule 4 (Tender) and will form part of the Contract.

These are our priorities in this procurement:

- Suppliers to demonstrate action to identify and tackle inequality in employment, skills and pay in the contract workforce.
- Suppliers to demonstrate how team members from traditionally under-represented backgrounds will be offered opportunities through the programme.

You should base your proposal to deliver value under this Priority Policy Area around the following activities that demonstrate and describe the tenderer's existing or planned:

- Understanding of the issues affecting inequality in employment, skills and pay in the market, industry or sector relevant to the contract, and in the tenderer's own organisation and those of its key sub-contractors.
- Measures to tackle inequality in employment, skills and pay in the contract workforce. Illustrative examples:
 - Inclusive and accessible recruitment practices, and retention-focussed activities.
 - Offering a range of quality opportunities with routes of progression if appropriate, e.g. T Level industry placements, students supported into higher level apprenticeships.
 - Working conditions which promote an inclusive working environment and promote retention and progression.
 - Demonstrating how working conditions promote an inclusive working environment and promote retention and progression.
 - A time-bound action plan informed by monitoring to ensure employers have a workforce that proportionately reflects the diversity of the communities in which they operate, at every level.
 - Including multiple women, or others with protected characteristics, in shortlists for recruitment and promotions.
 - Using skill-based assessment tasks in recruitment.
 - Using structured interviews for recruitment and promotions.
 - Introducing transparency to promotion, pay and reward processes.
 - Positive action schemes in place to address under-representation in certain pay grades.
 - Jobs at all levels open to flexible working from day one for all workers.

- Collection and publication of retention rates, e.g. for pregnant women and new mothers, or for others with protected characteristics.
- Regular equal pay audits conducted.

the Supplier shall immediately notify the Buyer in writing and the Buyer, in its absolute discretion and without limiting any other of its rights, may:

Annex A to Part A: Services Levels and Service Credits Table

Service Levels – measured quarterly				Service Credit for each Service Period
Service Level Performance Criterion	Key Indicator	Service Level Performance Measure	Service Level Threshold	
1. Work package proposals turnaround time: Work delivered to the agreed standard within 5 working days or as agreed with the Authority.	Timelines	Within 5 working days (unless specified as other by the Authority) – 95%	85% or below.	0.5% Service Credit gained for each percentage under 85% or unless agreed with the Authority otherwise.
2. Work package quality in turnaround: Work delivered to the agreed standard with 0 errors in approved specs (material inconsistencies)	Accuracy	0 errors in approved specs – 95% of the time in a 3 month period	85% or below.	0.5% Service Credit gained for each percentage under 85% or unless agreed with the Authority otherwise.
4. 95% of all work packages successfully complete all objectives within start and end date.	Accuracy/ Timelines	95%	85% or below.	0.5% Service Credit gained for each percentage under 85% or unless agreed with the Authority otherwise.
5. 95% of all work packages successfully delivered within agreed work package budget.	Accuracy/ Budget	95%	85% or below.	0.5% Service Credit gained for each percentage under 85% or unless agreed with the Authority otherwise.

Worked Example:

Over the course of the quarter, the supplier achieved KPI 1 (Work package proposals turnaround time: Work delivered to the agreed standard within 5 working days or as agreed with the Authority) 79% of the time.

As the service credits scheme is applicable for 85% or under, there will be service credits applied on (85% - 79%) 6%.

The service credit will be 0.5% for every percentage. Therefore, $0.5\% \times 6 = 3\%$ service credits will be applied to the quarterly invoice.

3. What happens if you aren't insured

The Supplier shall use all reasonable endeavours to notify the Buyer (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.
