SECTION H – REMEDIES AND RELIEF

24 RECTIFICATION PLAN PROCESS

24.1 In the event that:

- (a) there is, or is reasonably likely to be, a Delay;
- (b) in any Service Period or initial term there has been a Material KPI Failure;
- (c) the Provider commits a material Default that is capable of remedy (and for these purposes a material Default may be a single material Default or a number of Defaults or repeated Defaults (whether of the same or different obligations and regardless of whether such Defaults are remedied) which taken together constitute a material Default),

(each a “**Notifiable Default**”), the Provider shall notify the Authority of the Notifiable Default as soon as practicable but in any event within 3 Working Days of becoming aware of the Notifiable Default, detailing the actual or anticipated effect of the Notifiable Default and, unless the Notifiable Default also constitutes a Rectification Plan Failure or other Provider Termination Event, the Authority may not terminate this Agreement in whole or in part on the grounds of the Notifiable Default without first following the Rectification Plan Process.

Notification

24.2 If:

- (a) the Provider notifies the Authority pursuant to Clause 24.1 that a Notifiable Default has occurred; or
- (b) the Authority notifies the Provider that it considers that a Notifiable Default has occurred (setting out sufficient detail so that it is reasonably clear what the Provider has to rectify),

then, unless the Notifiable Default also constitutes a right to terminate the Agreement and the Authority serves a Termination Notice, the Provider shall comply with the Rectification Plan Process.

24.3 The “**Rectification Plan Process**” shall be as set out in Clauses 24.4 (*Submission of the draft Rectification Plan*) to 24.9 (*Agreement of the Rectification Plan*).

Submission of the draft Rectification Plan

24.4 The Provider shall submit a draft Rectification Plan to the Authority for it to review as soon as possible and in any event within 10 Working Days (or such other period as may be agreed between the Parties) after the original notification pursuant to Clause 24.2 (*Notification*). The Provider shall submit a

draft Rectification Plan even if the Provider disputes that it is responsible for the Notifiable Default.

24.5 The draft Rectification Plan shall set out:

- (a) full details of the Notifiable Default that has occurred, including a root cause analysis;
- (b) the actual or anticipated effect of the Notifiable Default; and
- (c) the steps which the Provider proposes to take to rectify the Notifiable Default (if applicable) and to prevent such Notifiable Default from recurring, including timescales for such steps and for the rectification of the Notifiable Default (where applicable).

24.6 The Provider shall promptly provide to the Authority any further documentation that the Authority reasonably requires to assess the Provider's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with Schedule 5.2 (*Dispute Resolution Procedure*).

Agreement of the Rectification Plan

24.7 The Authority may reject the draft Rectification Plan by notice to the Provider if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:

- (a) is insufficiently detailed to be capable of proper evaluation;
- (b) will take too long to complete;
- (c) will not prevent reoccurrence of the Notifiable Default; and/or
- (d) will rectify the Notifiable Default but in a manner which is unacceptable to the Authority.

24.8 The Authority shall notify the Provider whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Authority rejects the draft Rectification Plan, the Authority shall give reasons for its decision and the Provider shall take the reasons into account in the preparation of a revised Rectification Plan. The Provider shall submit the revised draft of the Rectification Plan to the Authority for review within 5 Working Days (or such other period as agreed between the Parties) of the Authority's notice rejecting the first draft.

24.9 If the Authority consents to the Rectification Plan:

- (a) the Provider shall immediately start work on the actions set out in the Rectification Plan; and
- (b) the Authority may no longer terminate this Agreement in whole or in part on the grounds of the relevant Notifiable Event.

Losses as a result of Default

24.10 The Authority may, amongst other things, recover from the Provider the following losses incurred by the Authority to the extent that they arise as a result of a Default by the Provider:

- (a) any additional operational and/or administrative costs and expenses incurred by the Authority, including costs relating to time spent by or on behalf of the Authority in dealing with the consequences of the Default;
- (b) any wasted expenditure or charges;
- (c) the additional cost of procuring Replacement Services for the remainder of the Term, which shall include any incremental costs associated with such Replacement Services above those which would have been payable under this Agreement;
- (d) any compensation or interest paid to a third party by the Authority;
- (e) any fine or penalty incurred by the Authority pursuant to Law and any costs incurred by the Authority in defending any proceedings which result in such fine or penalty.

25 STEP-IN RIGHTS

25.1 On the occurrence of a Step-In Trigger Event, the Authority may serve notice on the Provider (a "**Step-In Notice**") that it will be taking action under this Clause 25 (*Step-in Rights*), either itself or with the assistance of a third party (provided that the Provider may require any third parties to comply with a confidentiality undertaking equivalent to Clause 18 (*Confidentiality*)). The Step-In Notice shall set out the following:

- (a) the action the Authority wishes to take and in particular the Services that it wishes to control (the "**Required Action**");
- (b) the Step-In Trigger Event that has occurred and whether the Authority believes that the Required Action is due to the Provider's Default;
- (c) the date on which it wishes to commence the Required Action;
- (d) the time period which it believes will be necessary for the Required Action;
- (e) whether the Authority will require access to the Provider's premises and/or the Sites; and
- (f) to the extent practicable, the impact that the Authority anticipates the Required Action will have on the Provider's obligations to provide the Services during the period that the Required Action is being taken.

25.2 Following service of a Step-In Notice, the Authority shall:

- (a) take the Required Action set out in the Step-In Notice and any consequential additional action as it reasonably believes is necessary to achieve the Required Action;
- (b) keep records of the Required Action taken and provide information about the Required Action to the Provider;
- (c) co-operate wherever reasonable with the Provider in order to enable the Provider to continue to provide the Services in relation to which the Authority is not assuming control; and
- (d) act reasonably in mitigating the cost that the Provider will incur as a result of the exercise of the Authority's rights under this Clause 25.

25.3 For so long as and to the extent that the Required Action is continuing, then:

- (a) the Provider shall not be obliged to provide the Services to the extent that they are the subject of the Required Action;
- (b) no Deductions shall be applicable in relation to Charges in respect of Services that are the subject of the Required Action and the provisions of Clause 25.4 shall apply to Deductions from Charges in respect of other Services; and
- (c) the Authority shall pay to the Provider the Charges after subtracting any applicable Deductions and the Authority's costs of taking the Required Action.

25.4 If the Provider demonstrates to the reasonable satisfaction of the Authority that the Required Action has resulted in:

- (a) the degradation of any Services not subject to the Required Action; or
- (b) the non-Achievement of a deliverable under the Specification or Key Performance Indicators,

beyond that which would have been the case had the Authority not taken the Required Action, then the Provider shall be entitled to an agreed adjustment of the Charges.

25.5 Before ceasing to exercise its step in rights under this Clause 25 the Authority shall deliver a written notice to the Provider (a "**Step-Out Notice**"), specifying:

- (a) the Required Action it has actually taken; and
- (b) the date on which the Authority plans to end the Required Action (the "**Step-Out Date**") subject to the Authority being satisfied with the Provider's ability to resume the provision of the Services and the Provider's plan developed in accordance with Clause 25.6.

- 25.6 The Provider shall, following receipt of a Step-Out Notice and not less than 20 Working Days prior to the Step-Out Date, develop for the Authority's approval a draft plan (a "**Step-Out Plan**") relating to the resumption by the Provider of the Services, including any action the Provider proposes to take to ensure that the affected Services satisfy the requirements of this Agreement.
- 25.7 If the Authority does not approve the draft Step-Out Plan, the Authority shall inform the Provider of its reasons for not approving it. The Provider shall then revise the draft Step-Out Plan taking those reasons into account and shall re-submit the revised plan to the Authority for the Authority's approval. The Authority shall not withhold or delay its approval of the draft Step-Out Plan unnecessarily.
- 25.8 The Provider shall bear its own costs in connection with any step-in by the Authority under this Clause 25, provided that the Authority shall reimburse the Provider's reasonable additional expenses incurred directly as a result of any step-in action taken by the Authority under:
- (a) limbs (c) or (d) of the definition of a Step-In Trigger Event; or
 - (b) limbs (e), (f) and (g) of the definition of a Step-in Trigger Event (insofar as the primary cause of the Authority serving the Step-In Notice is identified as not being the result of the Provider's Default).

26 FORCE MAJEURE

- 26.1 Subject to the remaining provisions of this Clause 26 (and, in relation to the Provider, a Party may claim relief under this Clause 26 from liability for failure to meet its obligations under this Agreement for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Provider in performing its obligations under this Agreement which results from a failure or delay by an agent, Sub-contractor or Provider shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or Provider is itself impeded by a Force Majeure Event from complying with an obligation to the Provider.
- 26.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 26.3 If the Provider is the Affected Party, it shall not be entitled to claim relief under this Clause 26 to the extent that consequences of the relevant Force Majeure Event:
- (a) are capable of being mitigated by any of the Services, but the Provider has failed to do so; and/or
 - (b) should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Agreement.

- 26.4 Subject to Clause 26.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- 26.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Provider is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 26.6 Where, as a result of a Force Majeure Event:
- (a) an Affected Party fails to perform its obligations in accordance with this Agreement, then during the continuance of the Force Majeure Event:
 - (i) the other Party shall not be entitled to exercise any rights to terminate this Agreement in whole or in part as a result of such failure and
 - (ii) neither Party shall be liable for any Default arising as a result of such failure;
 - (b) the Provider fails to perform its obligations in accordance with this Agreement:
 - (i) the Authority shall not be entitled:
 - (A) during the continuance of the Force Majeure Event to exercise its rights under Clause 25 (*Step-in Rights*) as a result of such failure;
 - (B) to receive Service Credits, to withhold any of the Service Charges pursuant to Clause 7.2(d)(ii) (*Performance Failures*) or withhold and retain any of the Service Charges as compensation pursuant to Clause 7.4(a) (*Unacceptable KPI Failure*) to the extent that a Performance Failure has been caused by the Force Majeure Event; and
 - (ii) the Provider shall be entitled to receive payment of the Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be performed in accordance with the terms of this Agreement during the occurrence of the Force Majeure Event.

- 26.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Agreement.
- 26.8 Relief from liability for the Affected Party under this Clause 26 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Agreement and shall not be dependent on the serving of notice under Clause 26.7.

SECTION I – TERMINATION AND EXIT MANAGEMENT

27 TERMINATION RIGHTS

Termination by the Authority

27.1 The Authority may terminate this Agreement by issuing a Termination Notice to the Provider:

- (a) for convenience upon giving two months' notice;
- (b) following each quarterly review during the first 15 months after the Effective Date, or annual review thereafter, which renders the Services no longer viable;
- (c) if a Default occurs;
- (d) if a Force Majeure Event endures for a continuous period of more than 90 days; or
- (e) if the Agreement has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure,

and this Agreement shall terminate on the date specified in the Termination Notice.

27.1A In the event that the Authority terminates this Agreement pursuant to clause 27.1(a) (*termination for convenience*), the Authority shall pay the Termination Costs to the Provider within 30 days of the point of termination. The Termination Costs shall not be payable under any other circumstances under this Agreement.

27.2 Where the Authority:

- (a) is terminating this Agreement under Clause 27.1(c), it may rely on a single material Default or on a number of Defaults or repeated Defaults (whether of the same or different obligations and regardless of whether such Defaults are cured) which taken together constitute a material Default; and/or
- (b) has the right to terminate this Agreement under Clause 27.1(b) or Clause 27.1(c), it may, prior to or instead of terminating the whole of this Agreement, serve a Termination Notice requiring the partial termination of this Agreement to the extent that it relates to any part of the Services which are materially affected by the relevant circumstances.
- (c) terminates the Agreement under Clause 27.1 (a) or Clause 27.1 (b), the Authority agrees to pay any reasonable and verifiable exit costs associated with termination accrued from the Effective Date to the Operational Service Commencement Date, such costs shall be limited

to the estimated costs submitted by the Provider under Schedule 3.1 .

Termination by the Provider

- 27.3 The Provider may, by issuing a Termination Notice to the Authority, terminate:
- (a) this Agreement if the Authority fails to pay an undisputed sum due to the Provider under this Agreement which in aggregate exceeds ██████████ ex VAT and such amount remains outstanding 40 Working Days after the receipt by the Authority of a notice of non-payment from the Provider; or
 - (b) any Services that are materially impacted by a Force Majeure Event that endures for a continuous period of more than 90 days,

and this Agreement or the relevant Services (as the case may be) shall then terminate on the date specified in the Termination Notice (which shall not be less than 30 Working Days from the date of the issue of the Termination Notice). If the operation of Clause 27.3(b) would result in a Partial Termination, the provisions of Clause 27.4 (*Partial Termination*) shall apply.

Partial Termination

- 27.4 If the Provider notifies the Authority pursuant to Clause 27.3(b) (*Termination by the Provider*) that it intends to terminate this Agreement in part and the Authority, acting reasonably, believes that the effect of such Partial Termination is to render the remaining Services incapable of meeting a significant part of the Authority Requirements, then the Authority shall be entitled to terminate the remaining part of this Agreement by serving a Termination Notice to the Provider within 1 month of receiving the Provider's Termination Notice. For the purpose of this Clause 27.4, in assessing the significance of any part of the Authority Requirements, regard shall be had not only to the proportion of that part to the Authority Requirements as a whole, but also to the importance of the relevant part to the Authority.
- 27.5 The Parties shall agree the effect of any Change necessitated by a Partial Termination in accordance with the Change Control Procedure, including the effect the Partial Termination may have on any other Services and the Charges, provided that:
- (a) the Provider shall not be entitled to an increase in the Charges in respect of the Services that have not been terminated if the Partial Termination arises due to the occurrence of a Provider Termination Event;
 - (b) any adjustment to the Charges (if any) shall be calculated in accordance with the financial model and must be reasonable; and
 - (c) the Provider shall not be entitled to reject the Change.

- 27.6 The Authority reserves the right to terminate this Agreement, or reduce the scope of the Services, upon giving the Provider three months' written notice, at any time if:
- (a) funding for the Services is withdrawn or varied;
 - (b) there is a significant change in government policy relating to the delivery of the Services.
